

Correlation Coefficients for Cross Validation ACE and sstBoxDiff Varying Month Range

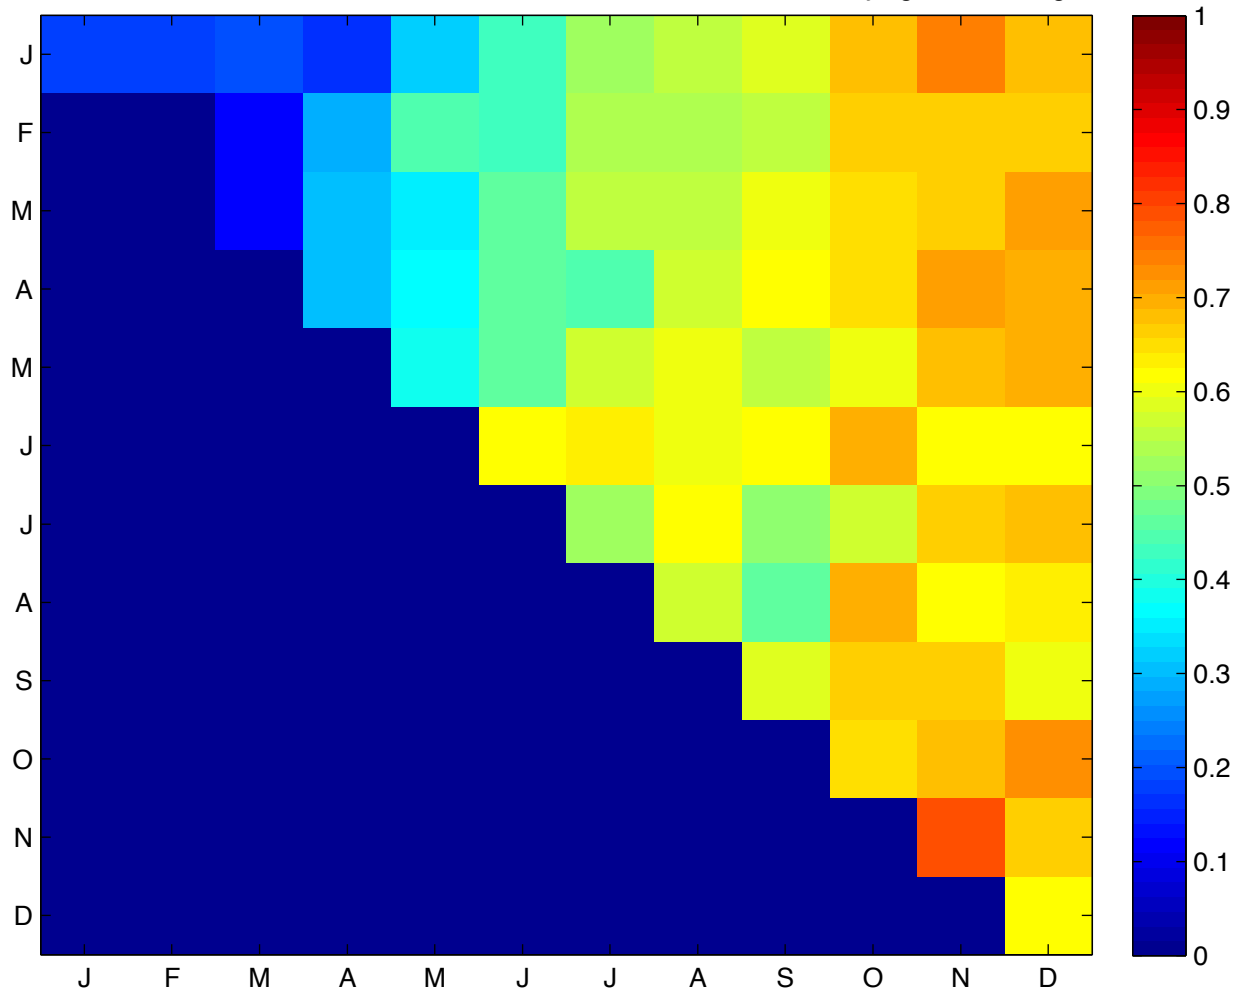

Correlation Coefficients for Cross Validation NTC and sstBoxDiff Varying Month Range

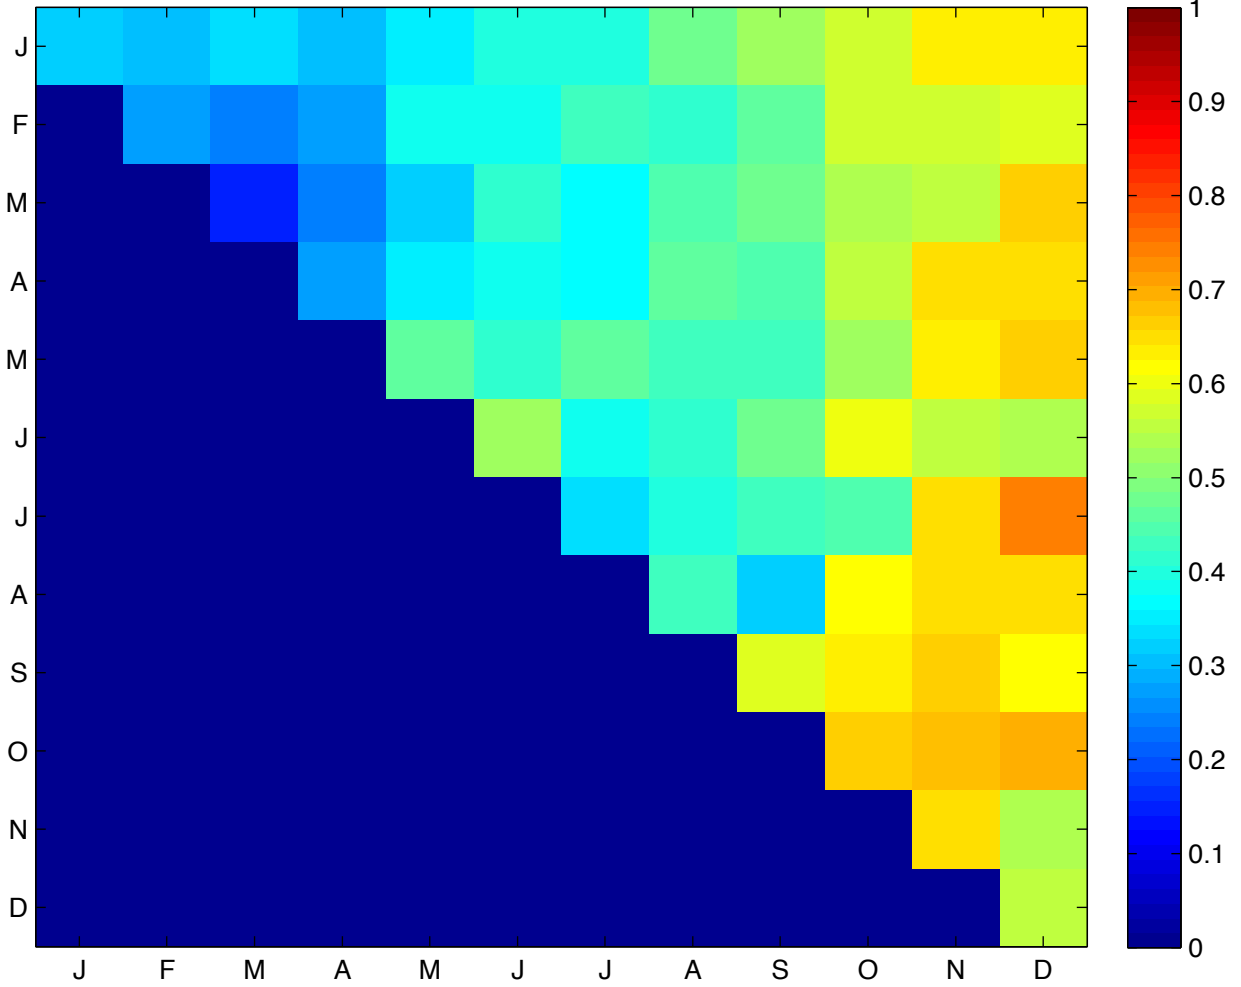

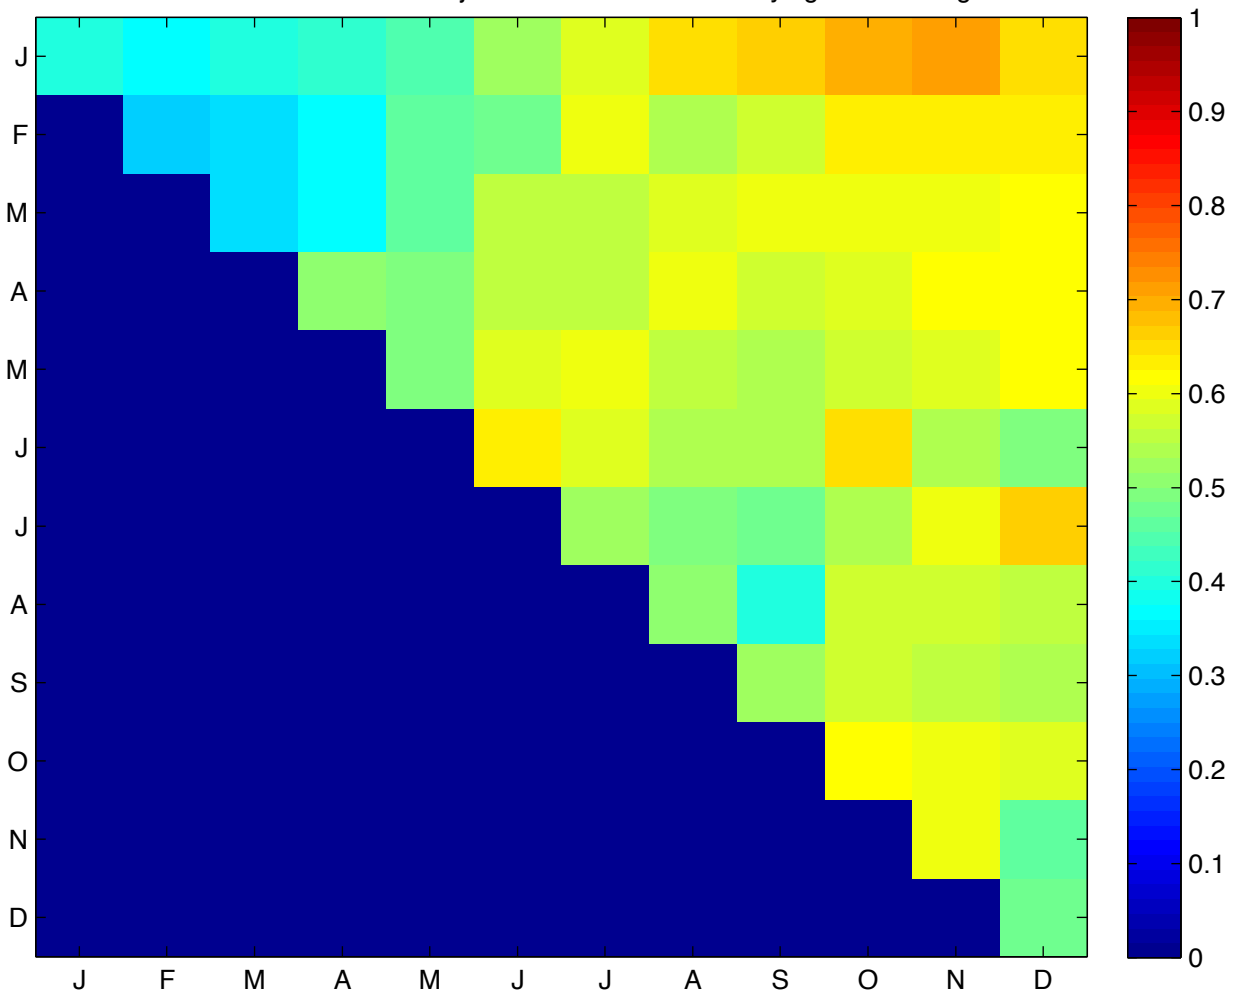

Correlation Coefficients for Cross Validation PDI and sstBoxDiff Varying Month Range

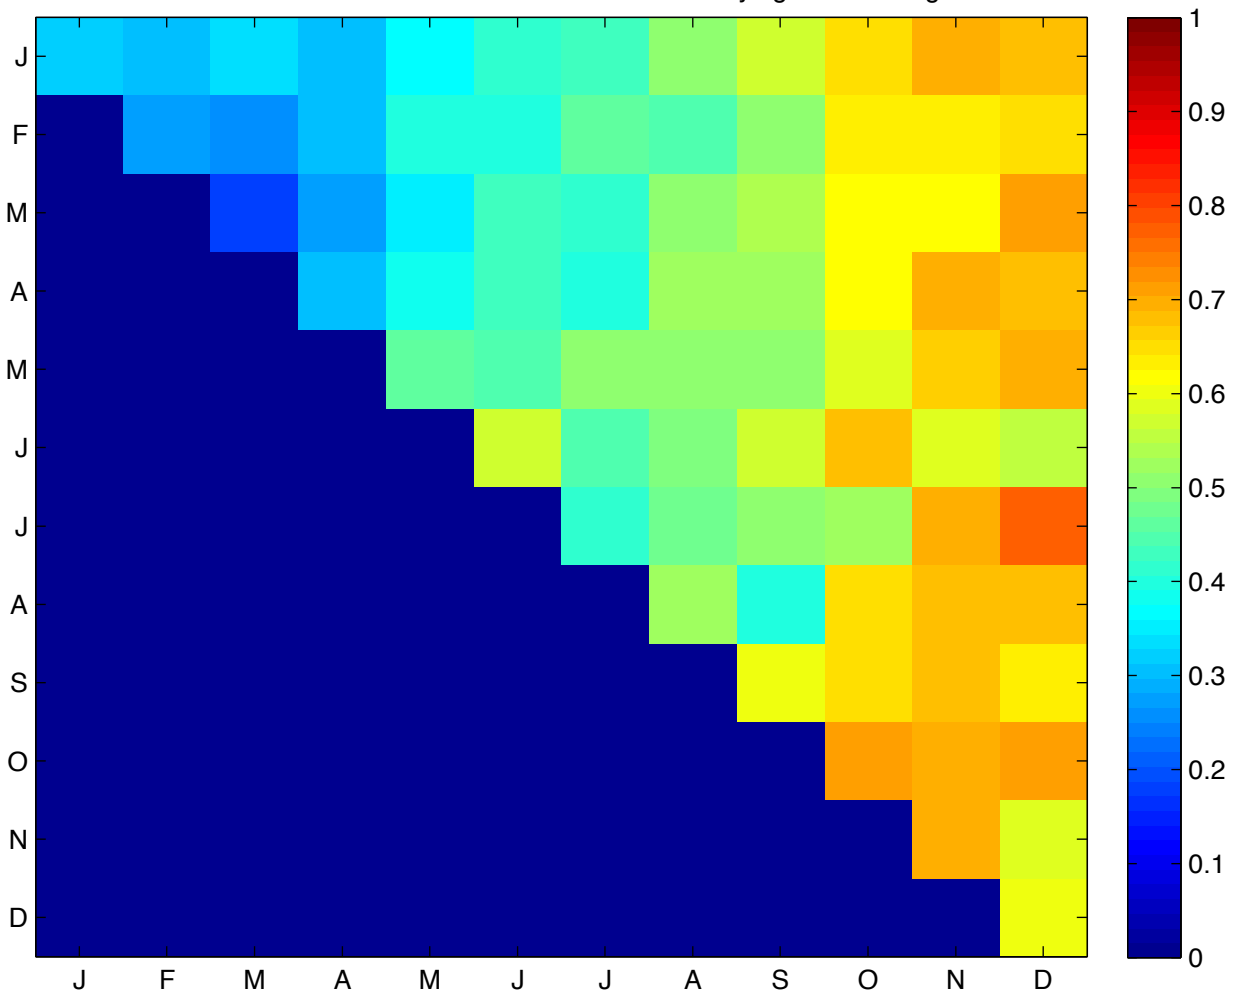

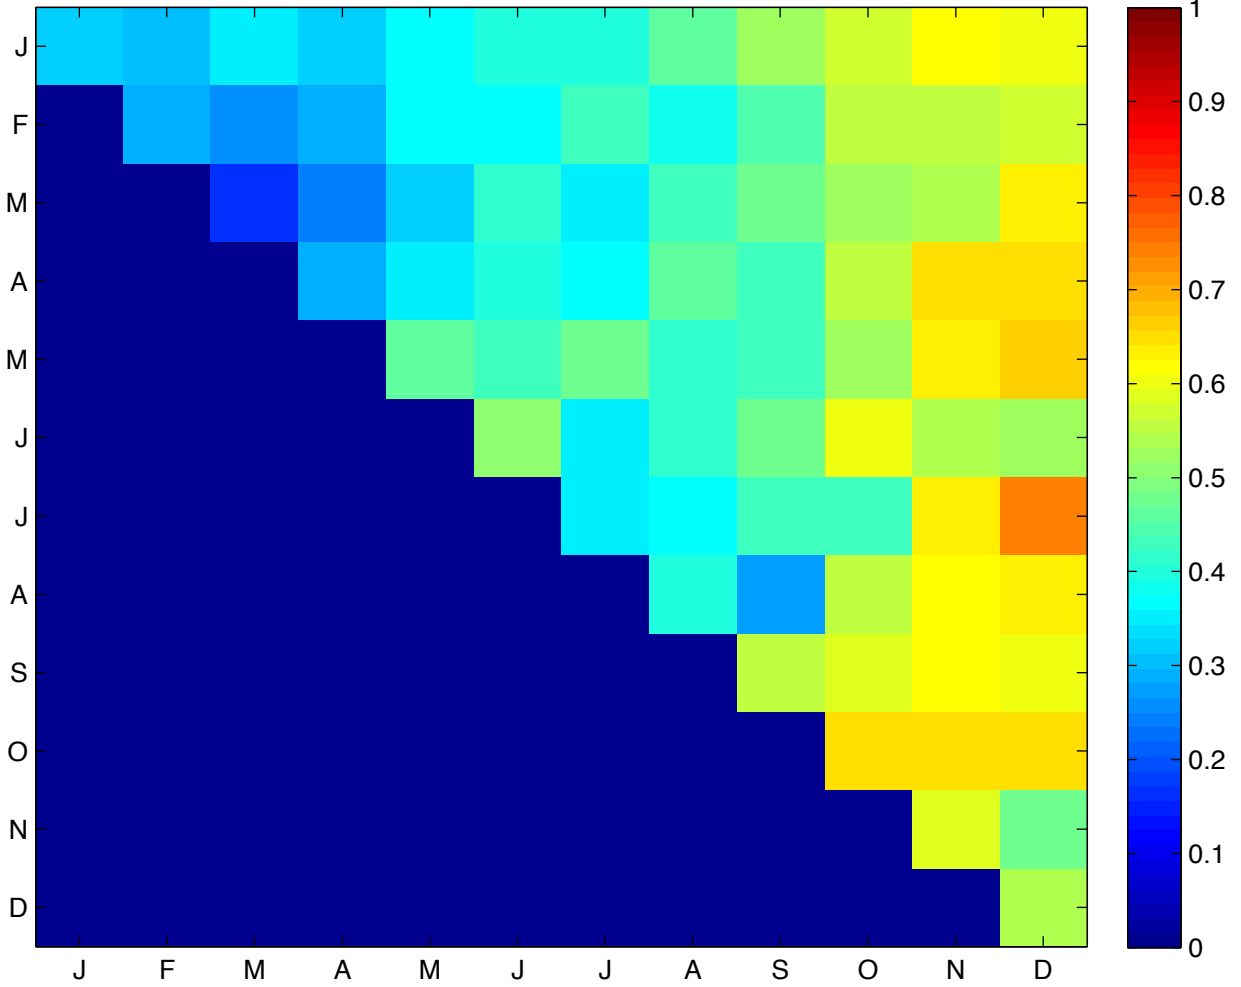

Correlation Coefficients for Cross Validation TCS and sstBoxDiff Varying Month Range

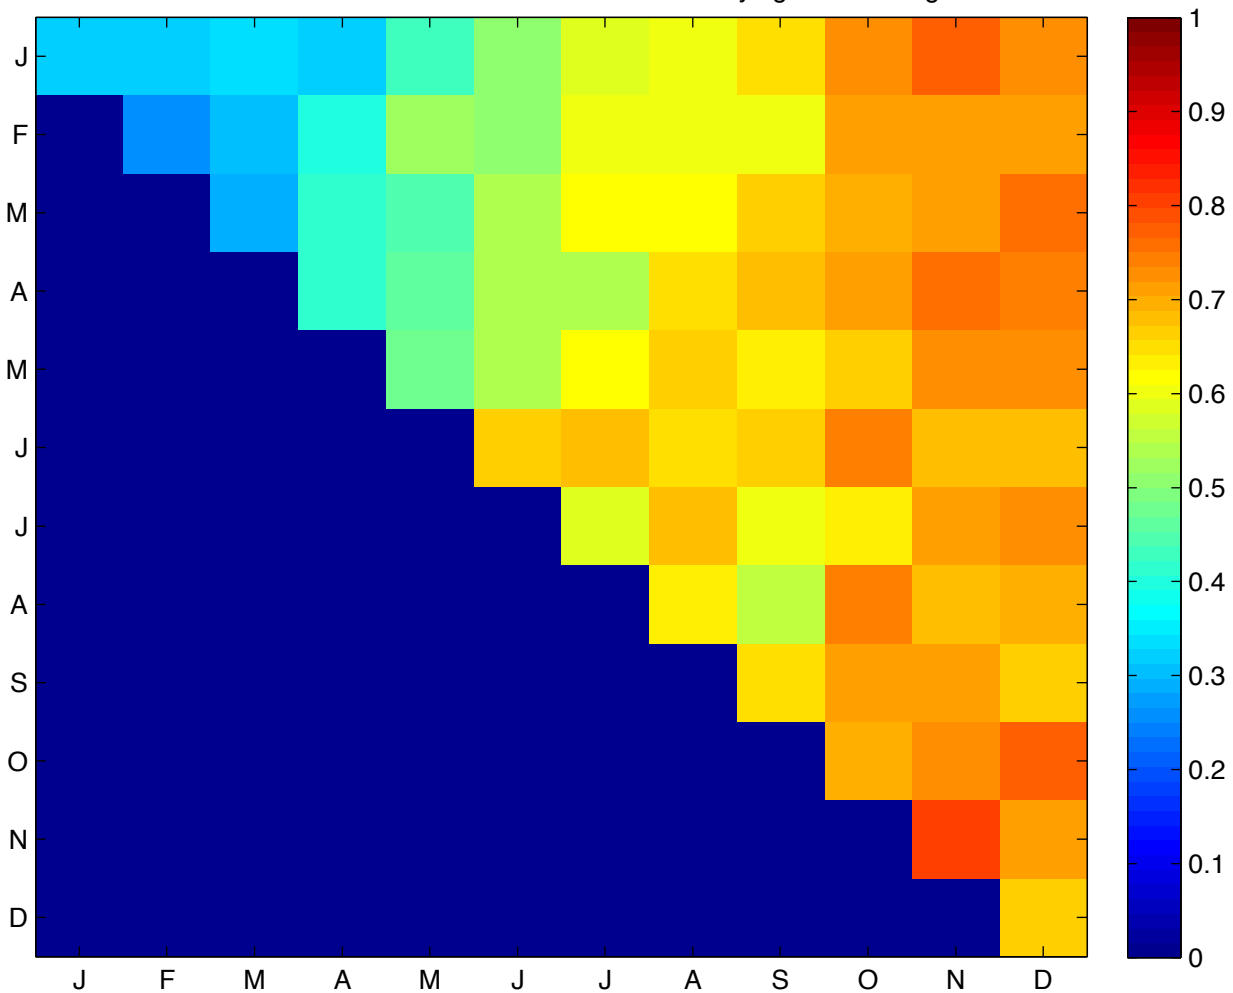

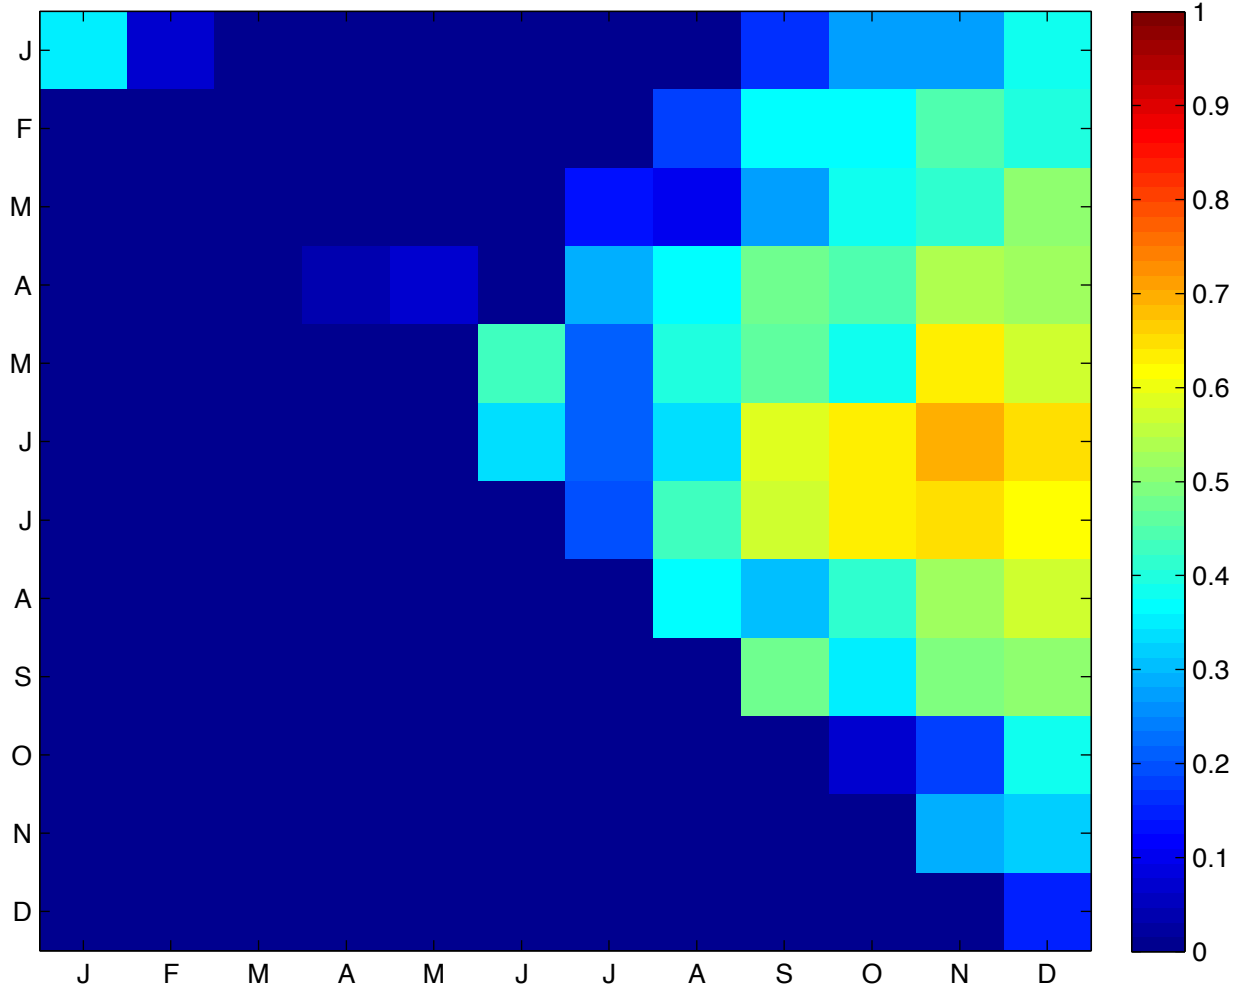

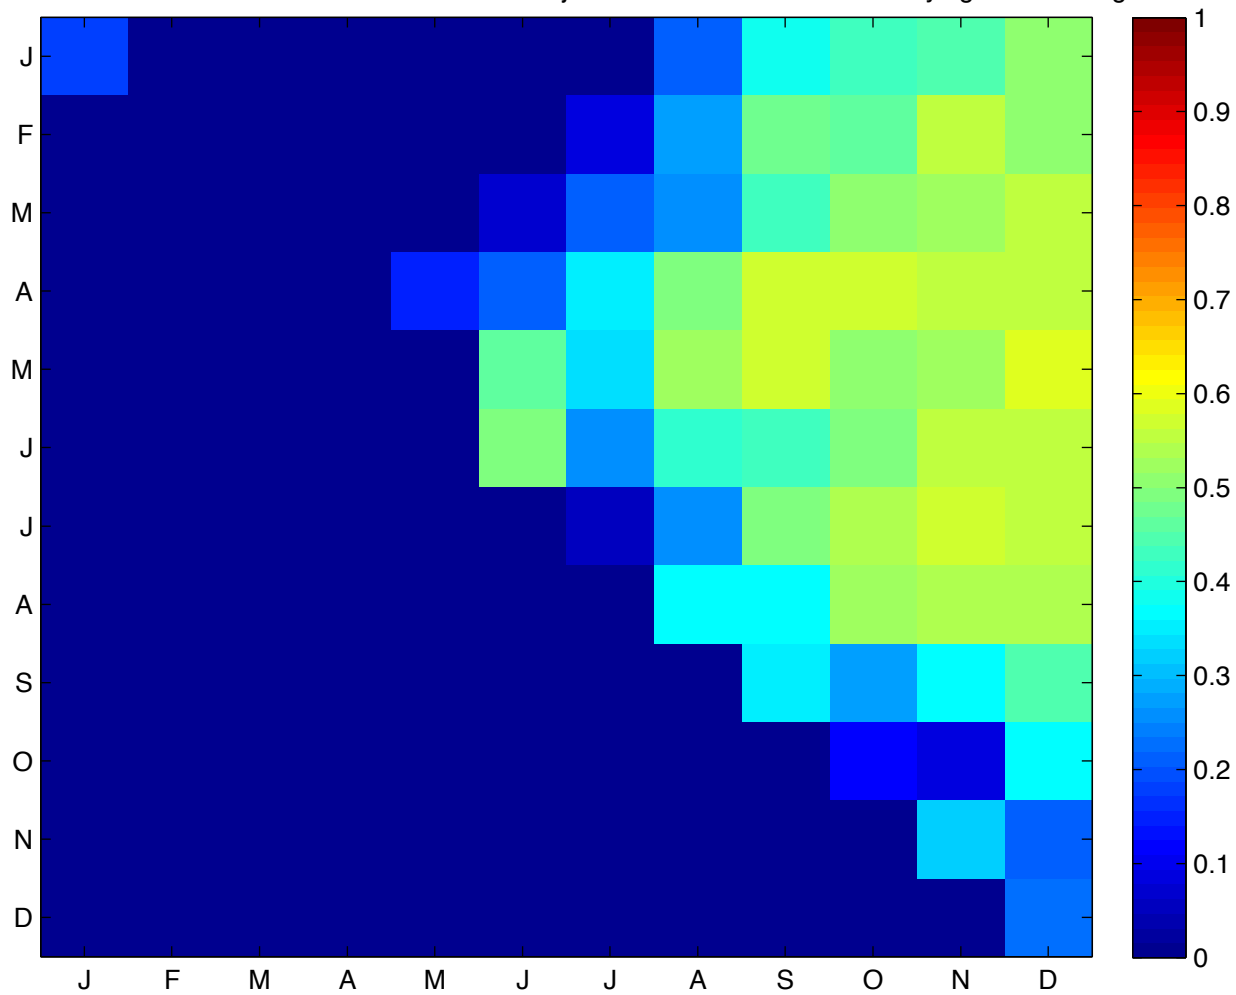

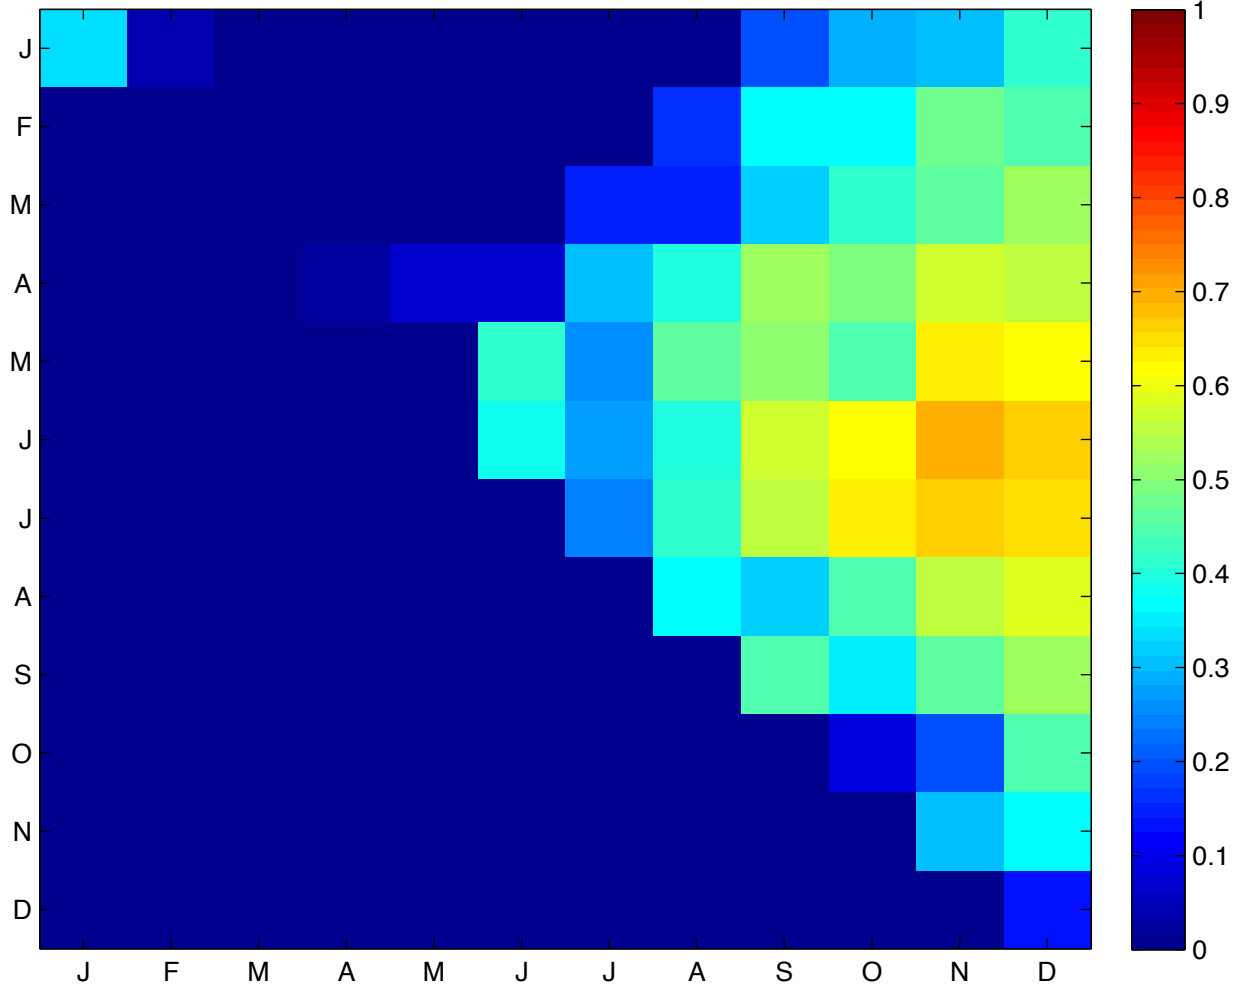

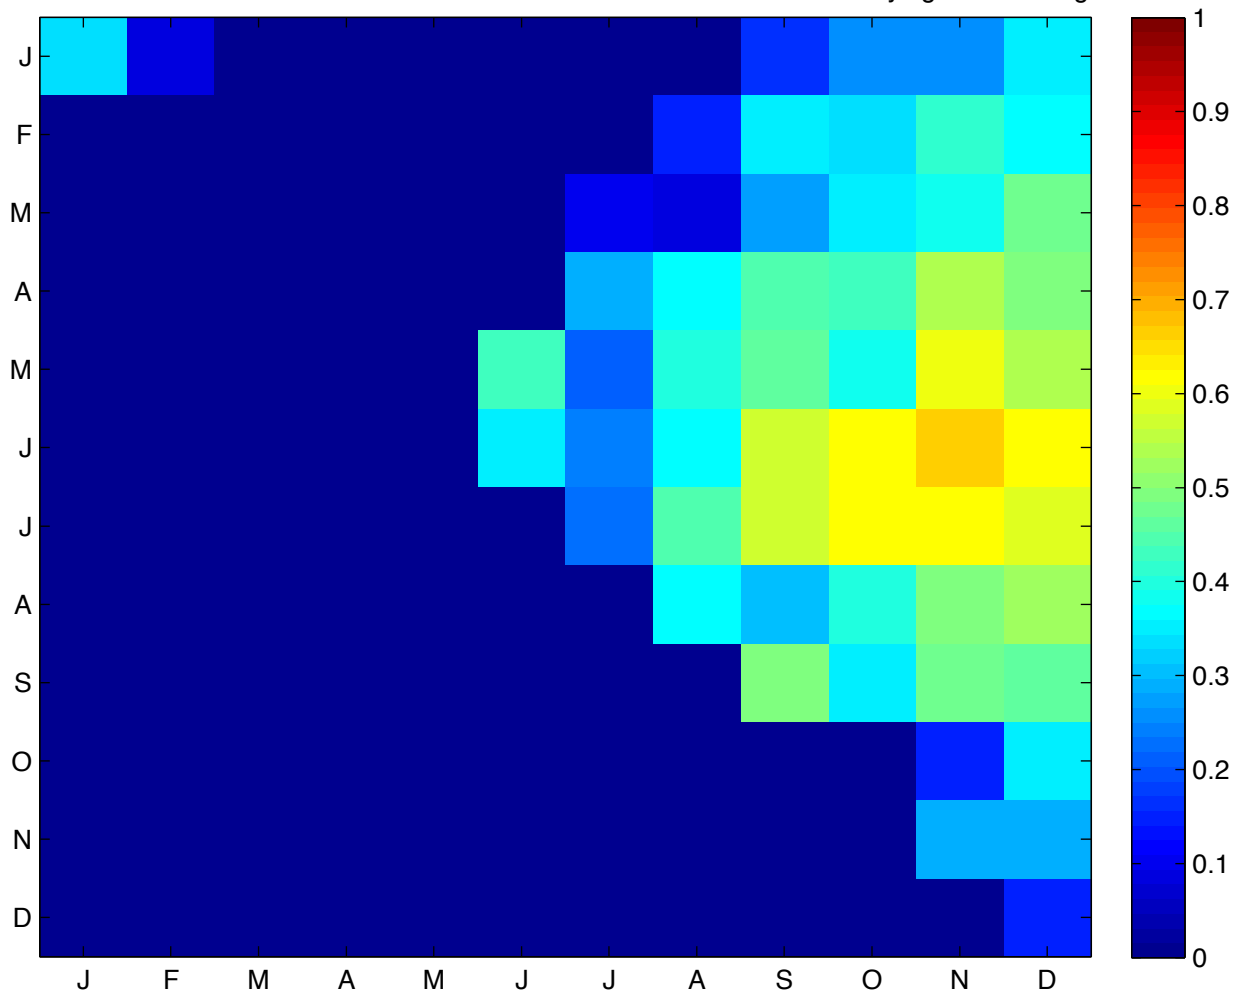

Correlation Coefficients for Cross Validation MajorHurr and sstBoxOLRVal Varying Month Range

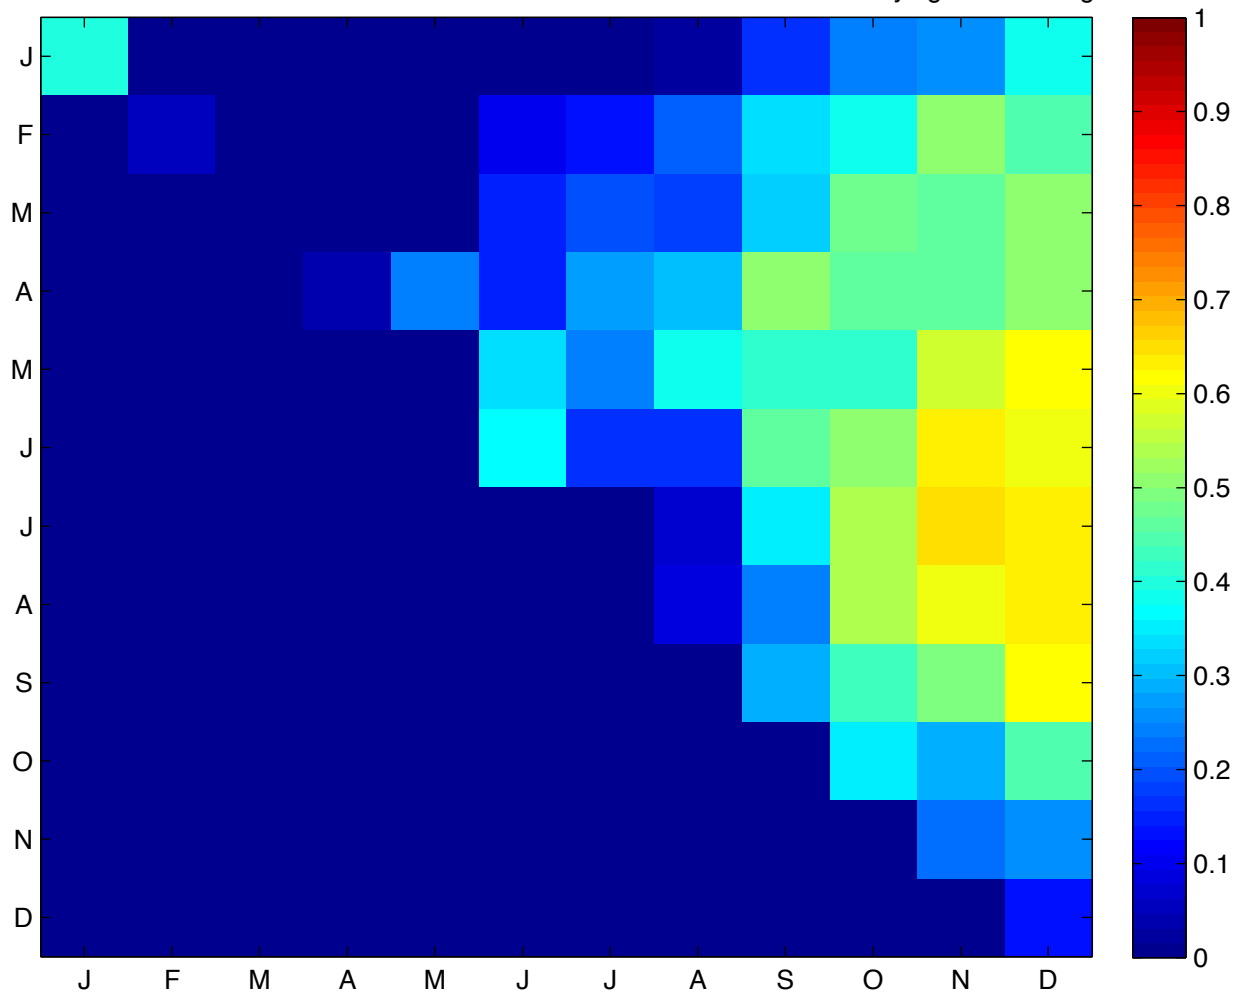

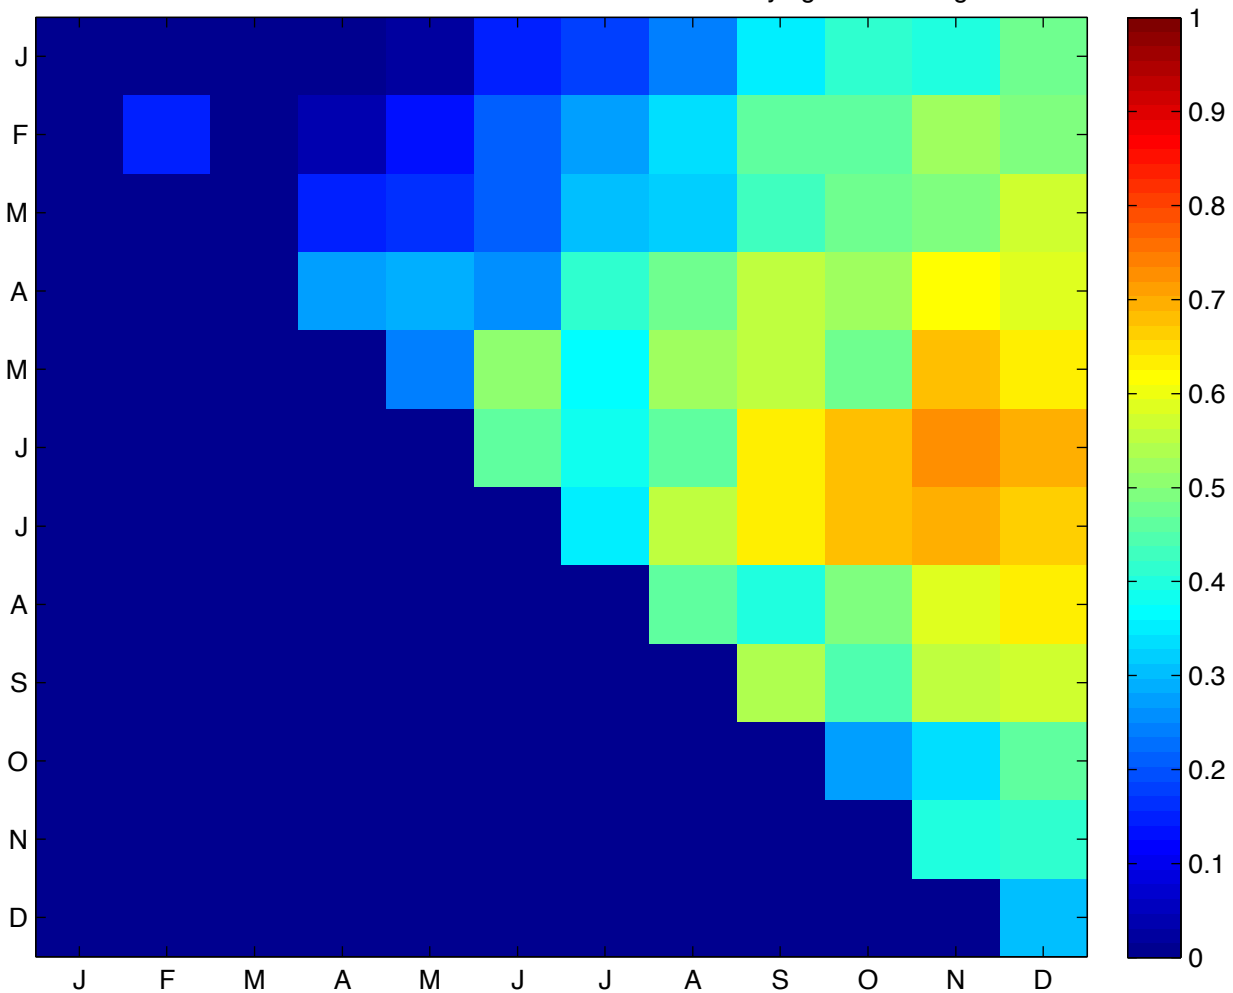

Correlation Coefficients for Cross Validation PDI and sstBoxOLRVal Varying Month Range

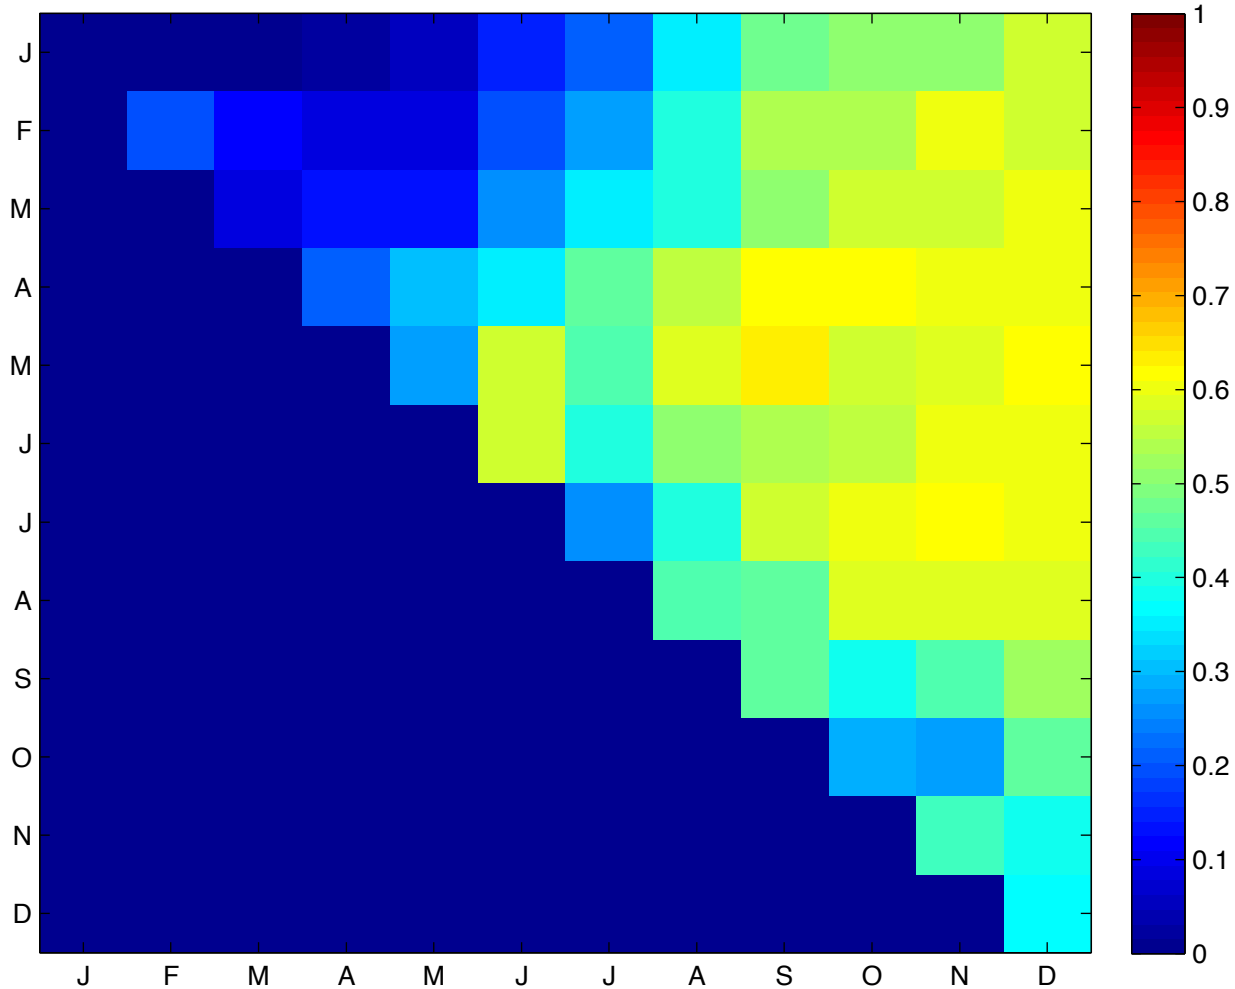

Correlation Coefficients for Cross Validation TCS and sstBoxOLRVal Varying Month Range

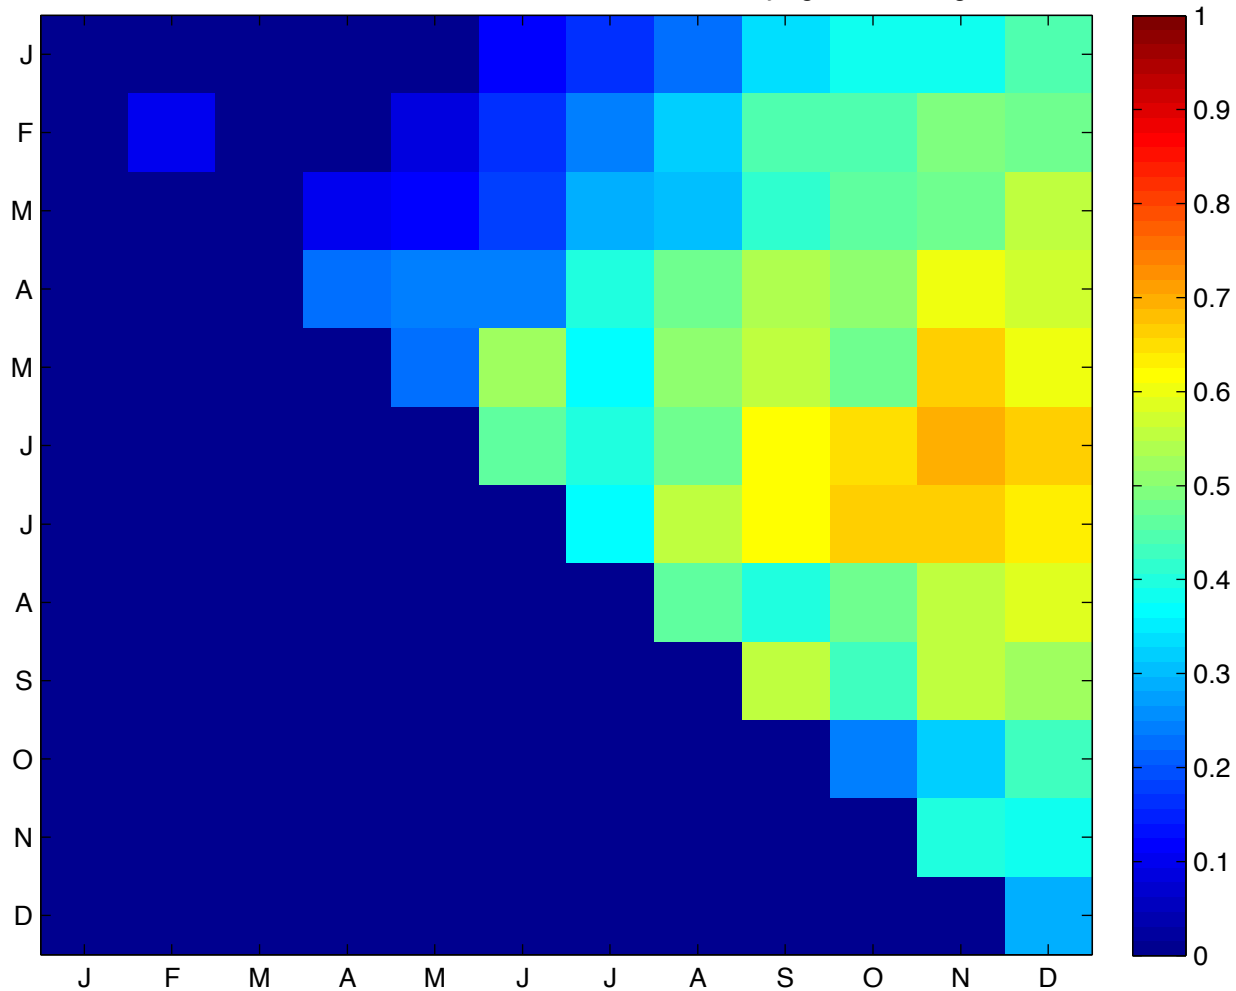

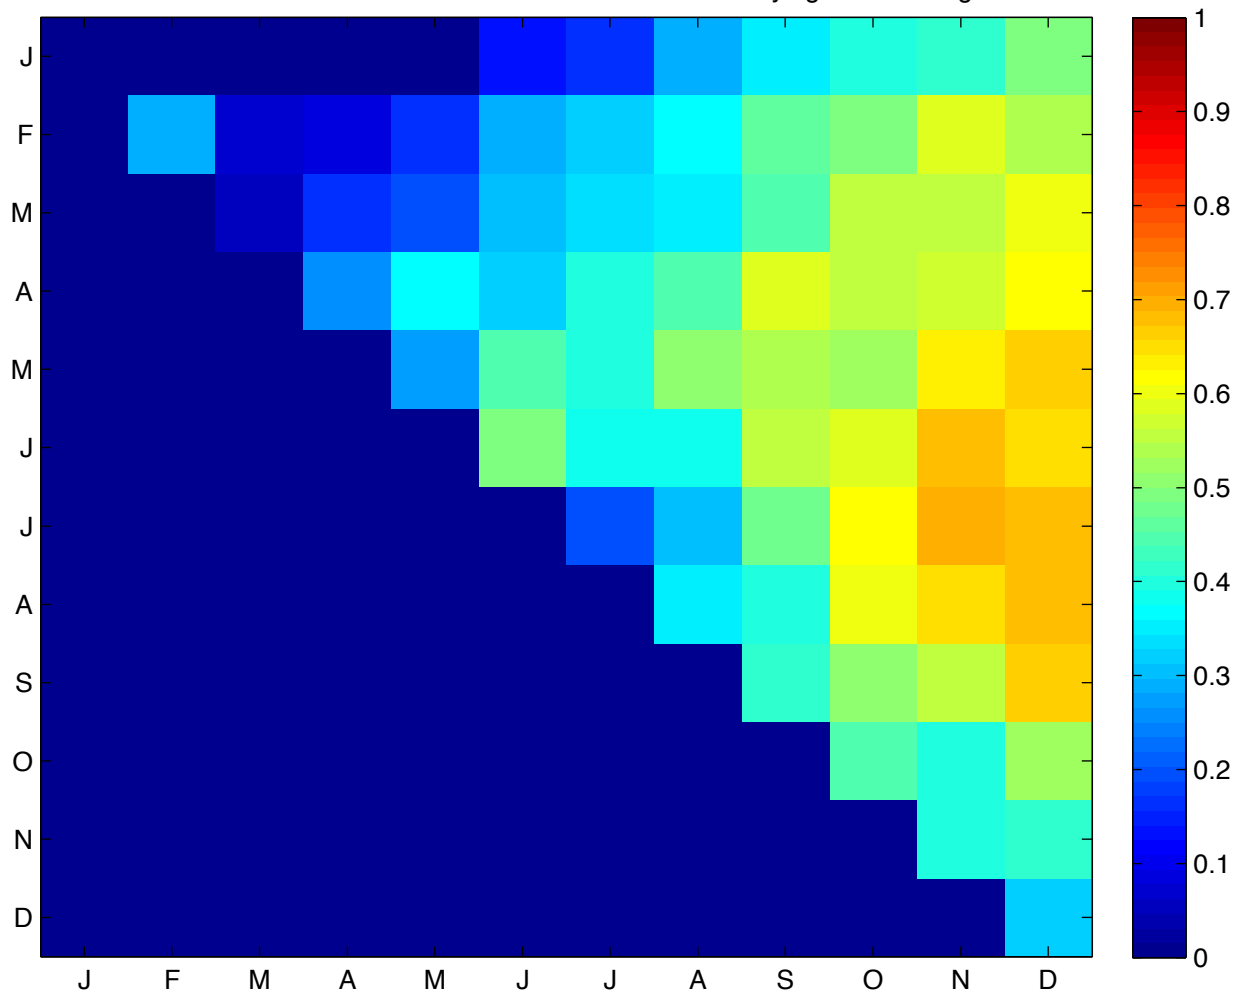

Correlation Coefficients MajorHurr and sstBoxOLRVal Varying Month Range

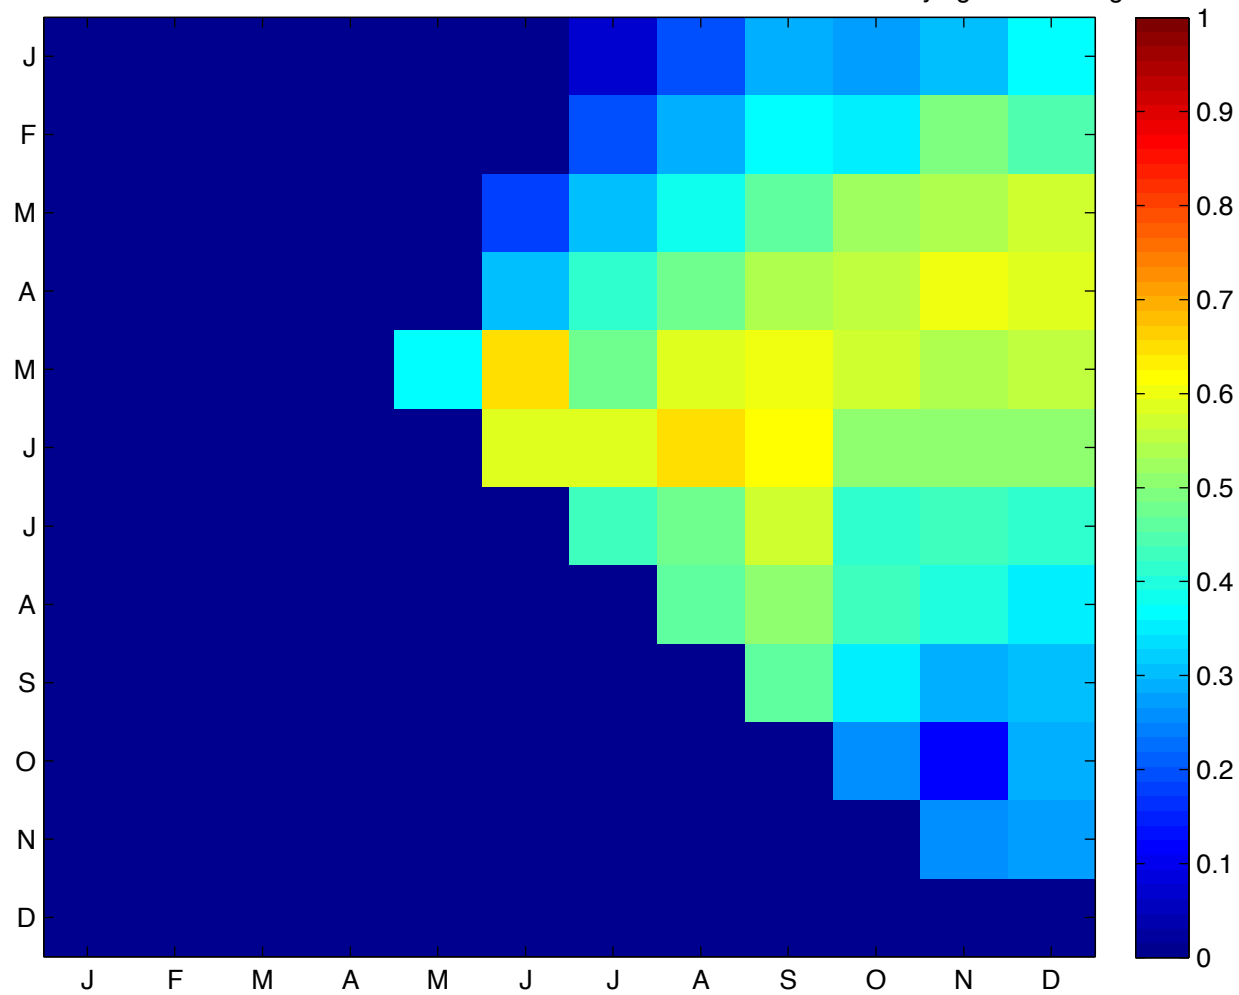

Correlation Coefficients PDI and sstBoxOLRVal Varying Month Range

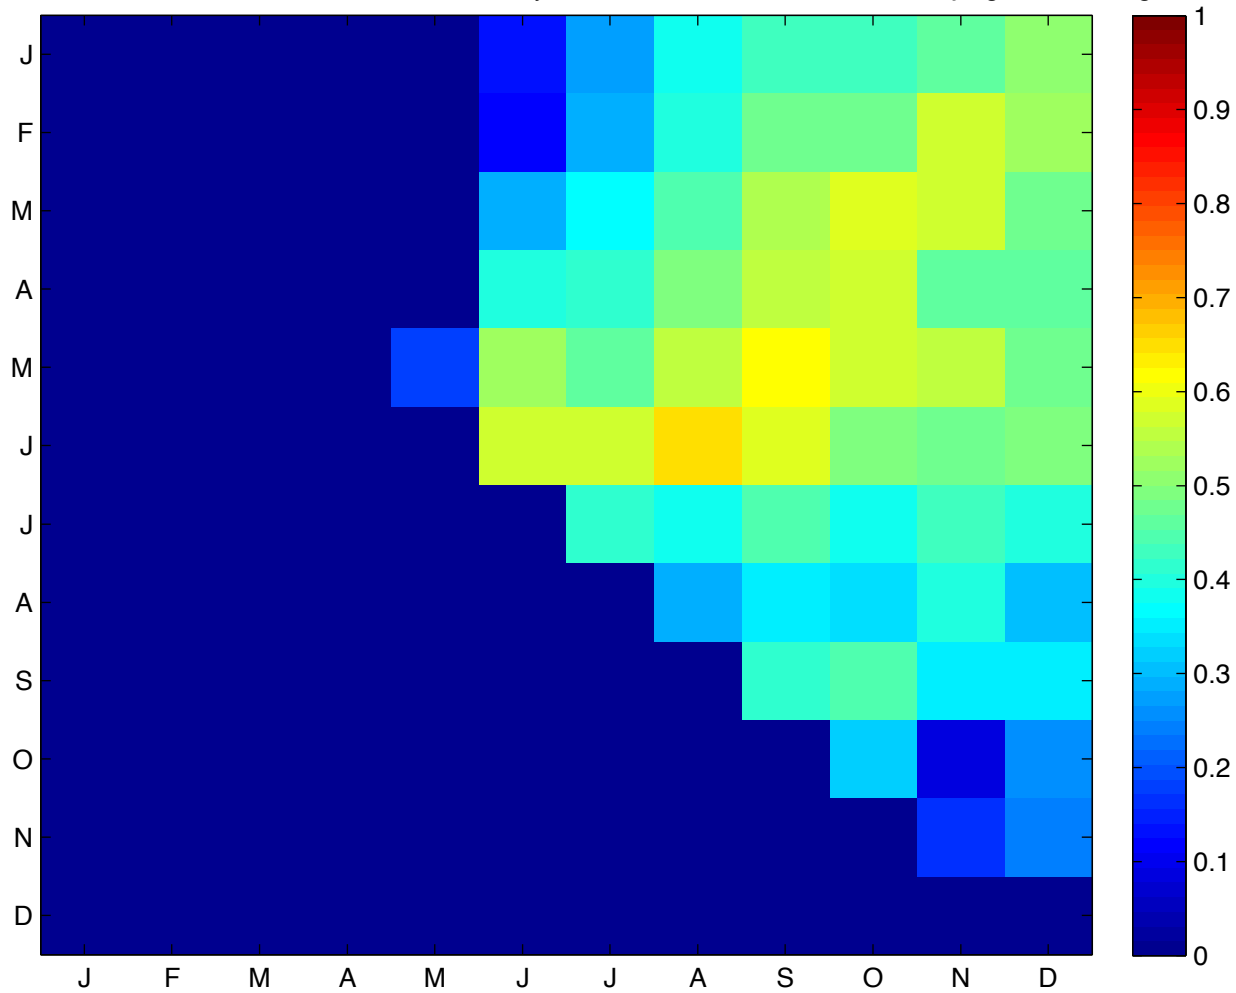

Correlation Coefficients TCS and sstBoxOLRVal Varying Month Range

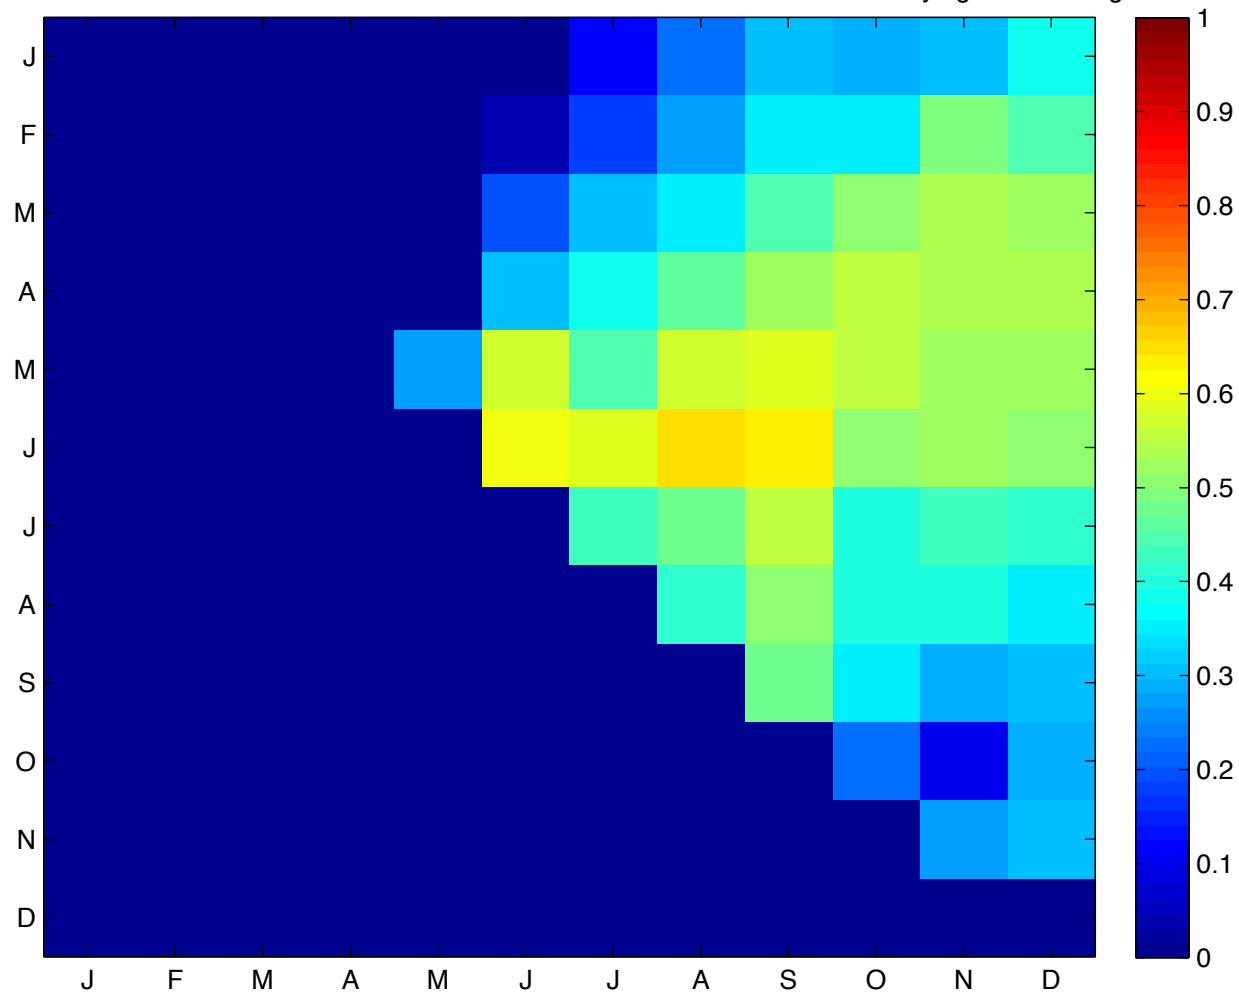

Correlation Coefficients for Cross Validation ACE and sstBoxPressureVal Varying Month Range

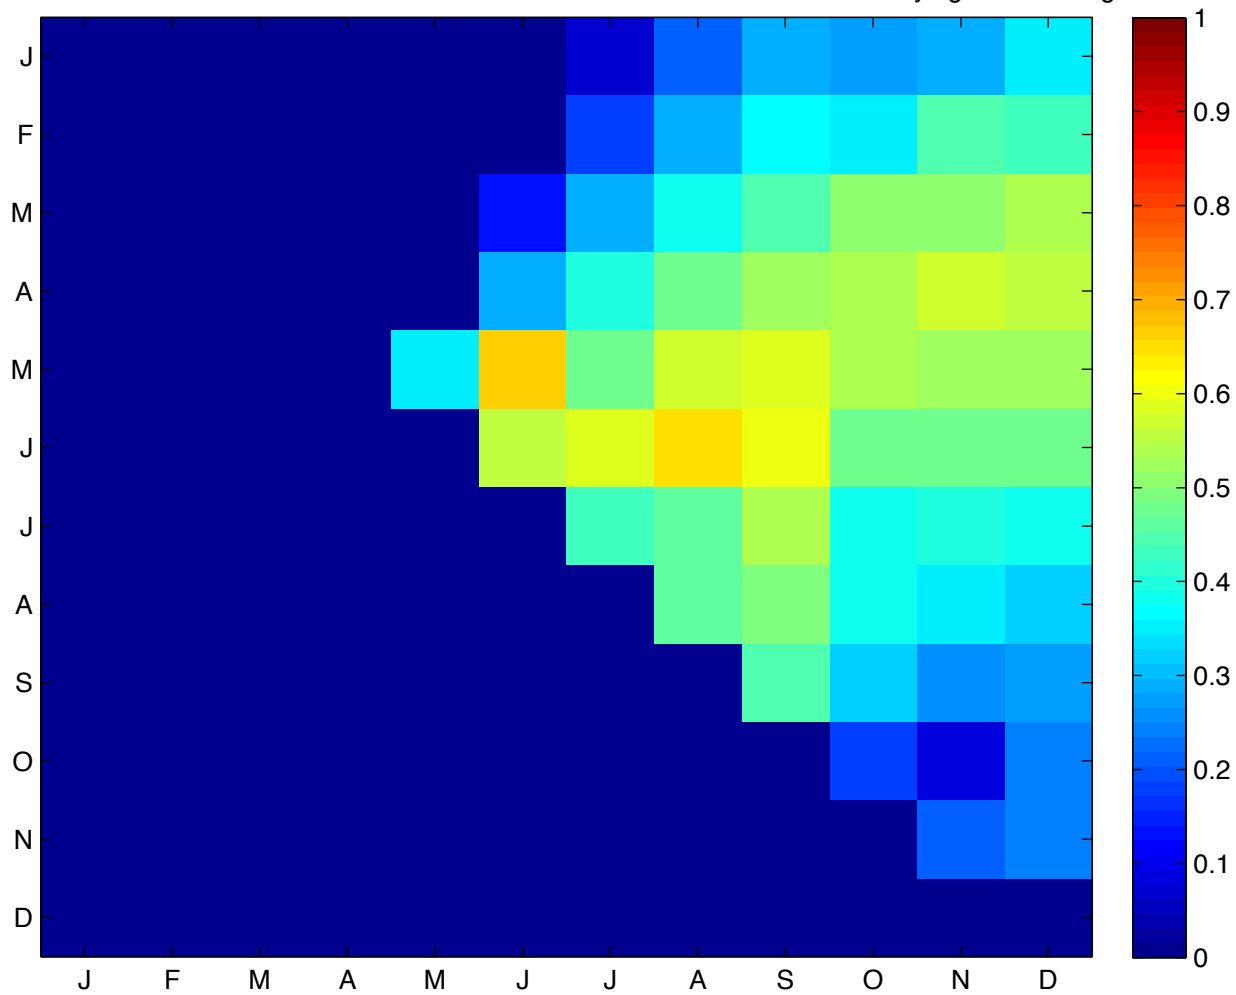

Correlation Coefficients for Cross Validation MajorHurr and sstBoxPressureVal Varying Month Range

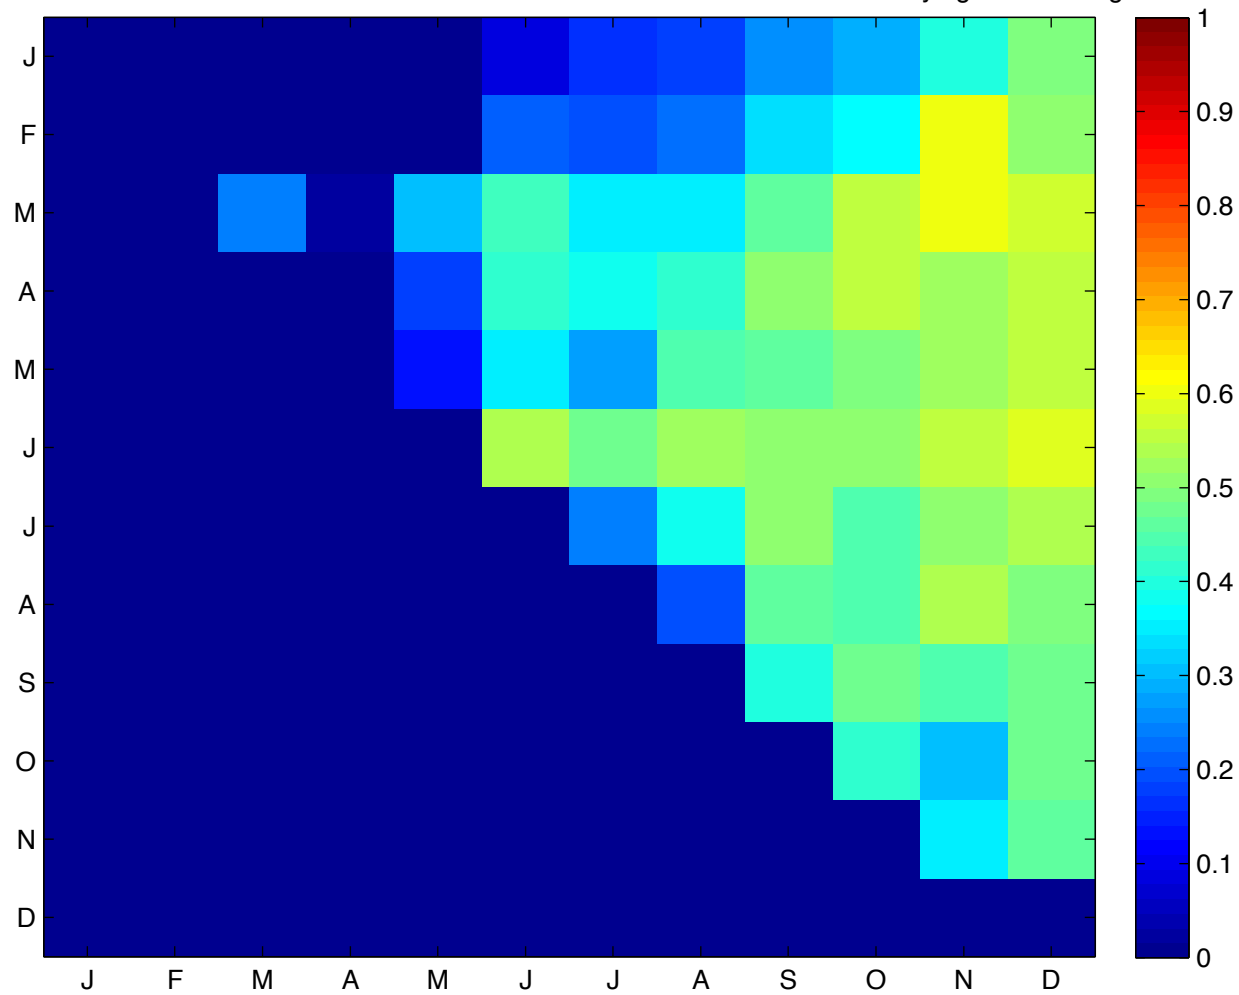

Correlation Coefficients for Cross Validation NTC and sstBoxPressureVal Varying Month Range

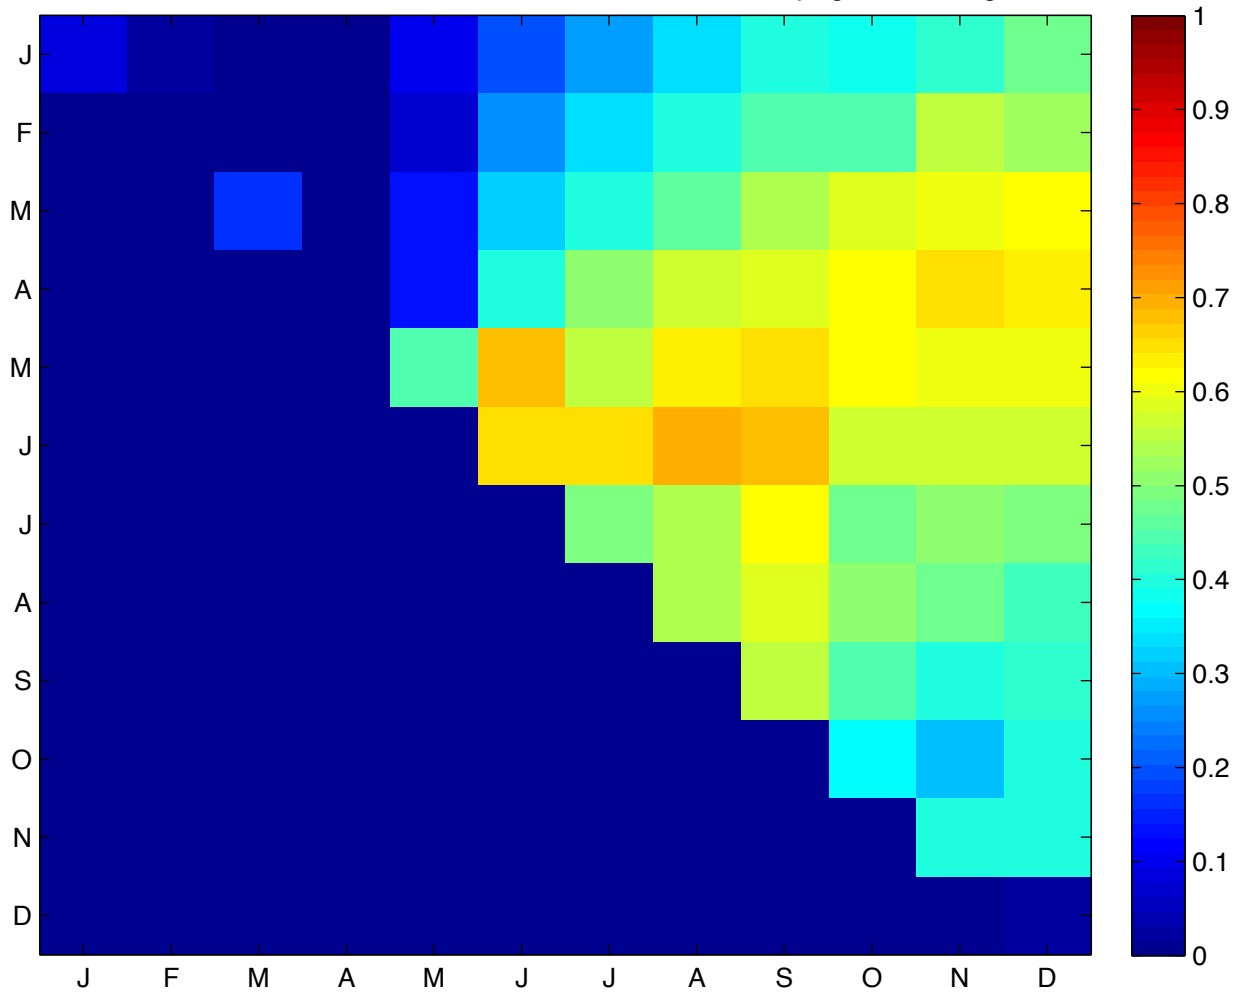

Correlation Coefficients for Cross Validation PDI and sstBoxPressureVal Varying Month Range

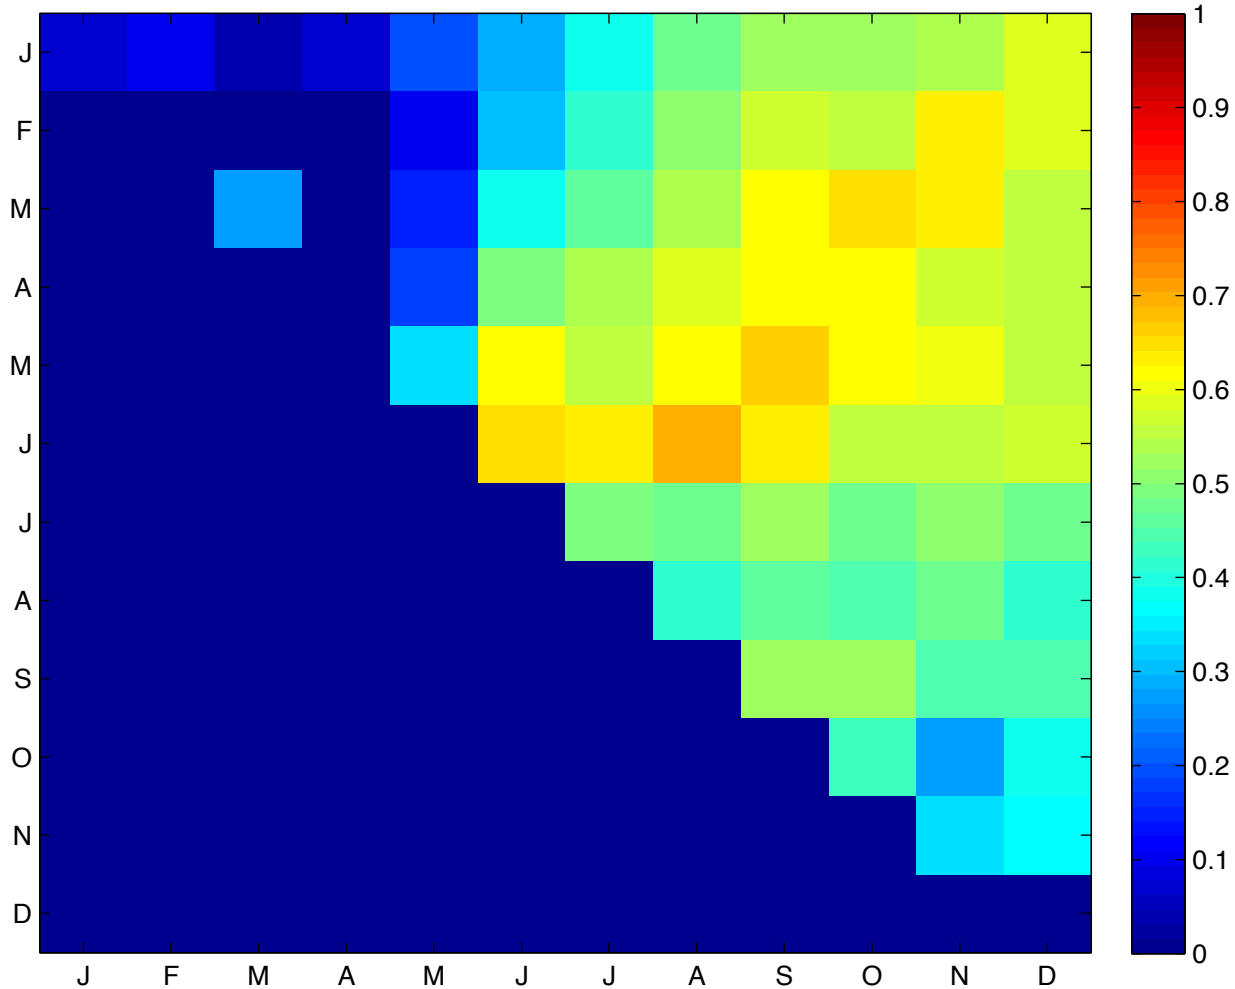

Correlation Coefficients for Cross Validation TCS and sstBoxPressureVal Varying Month Range

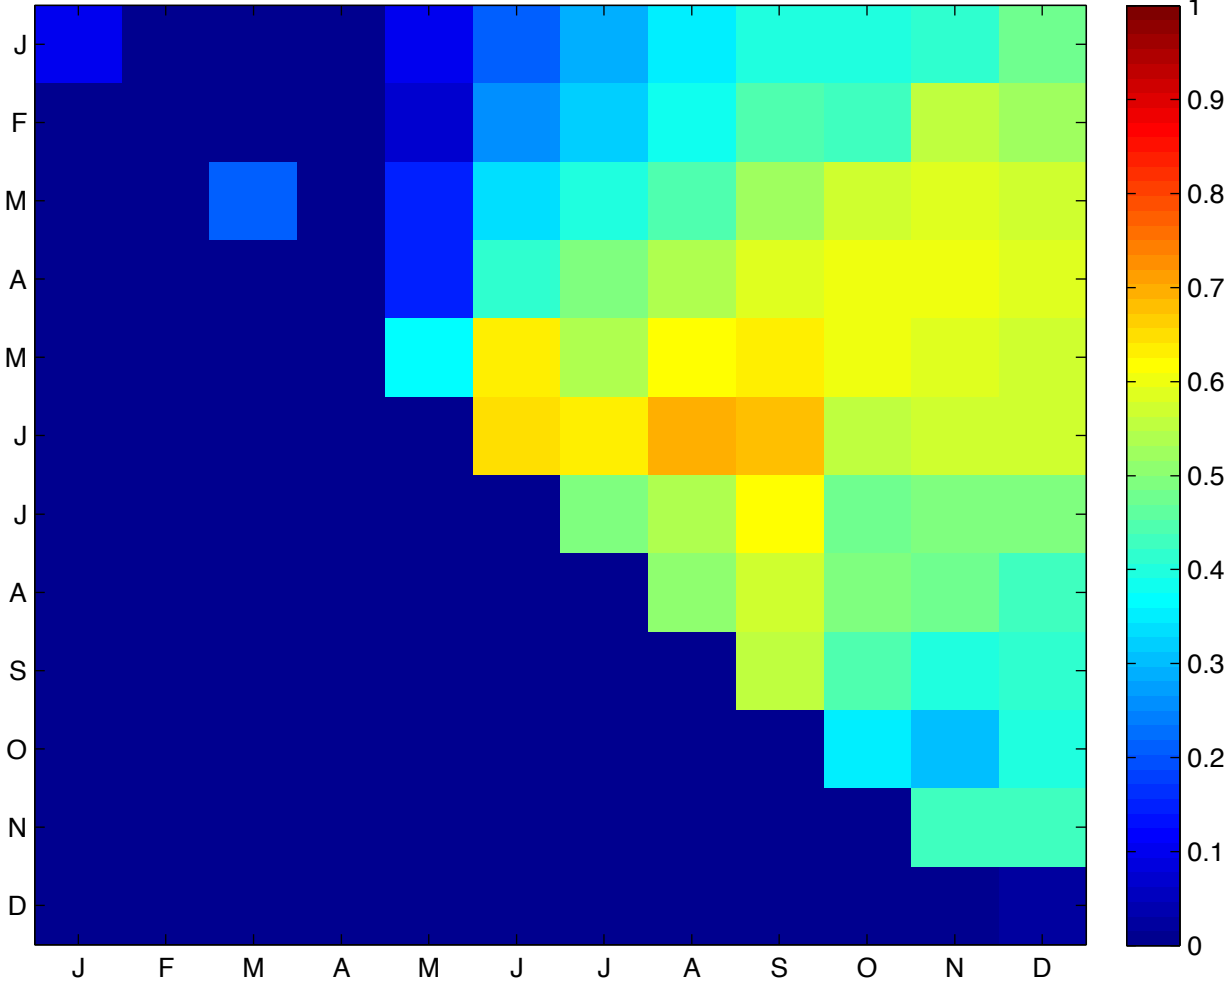

Correlation Coefficients ACE and sstBoxPressureVal Varying Month Range

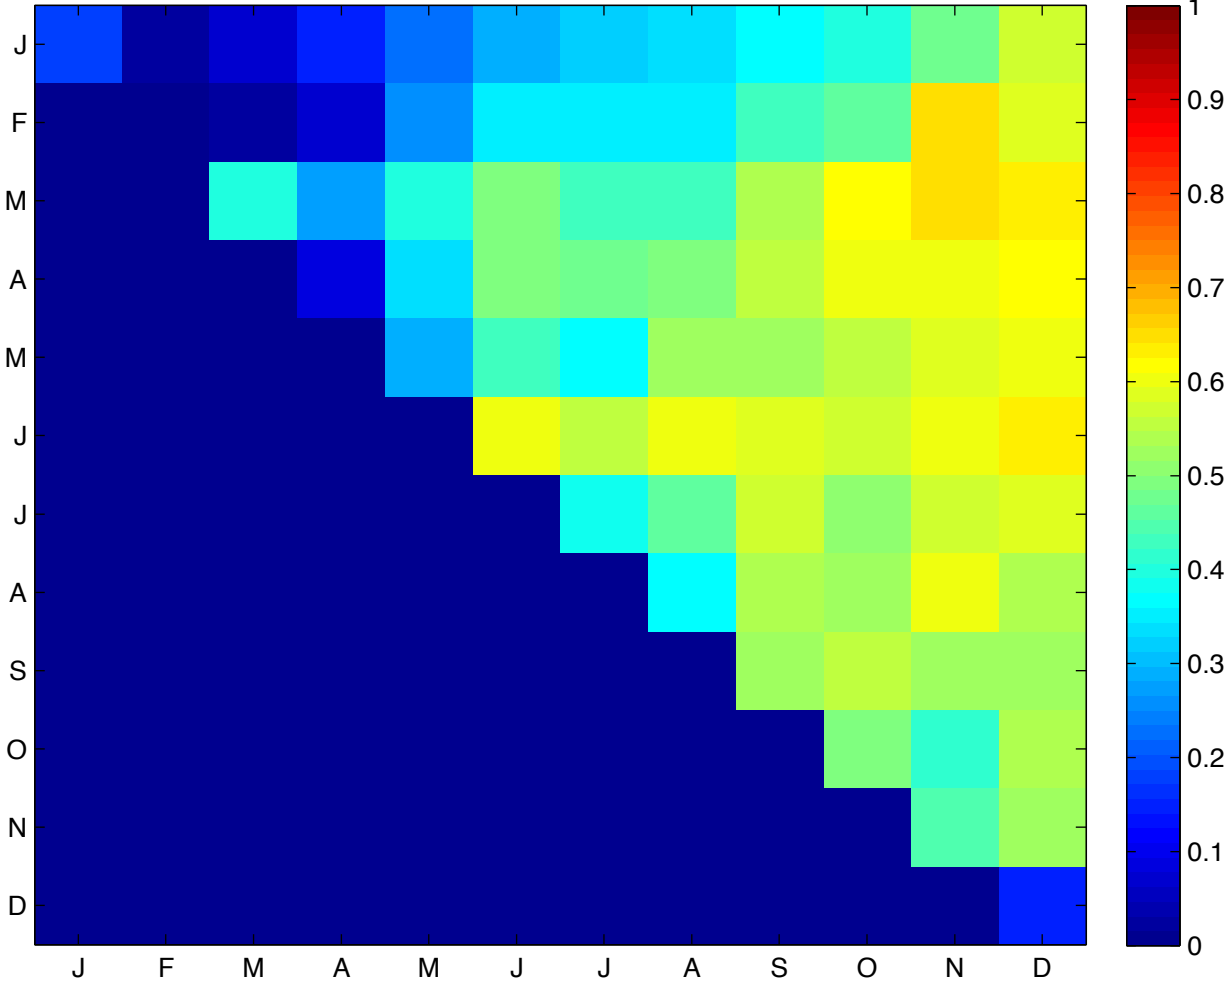

Correlation Coefficients MajorHurr and sstBoxPressureVal Varying Month Range

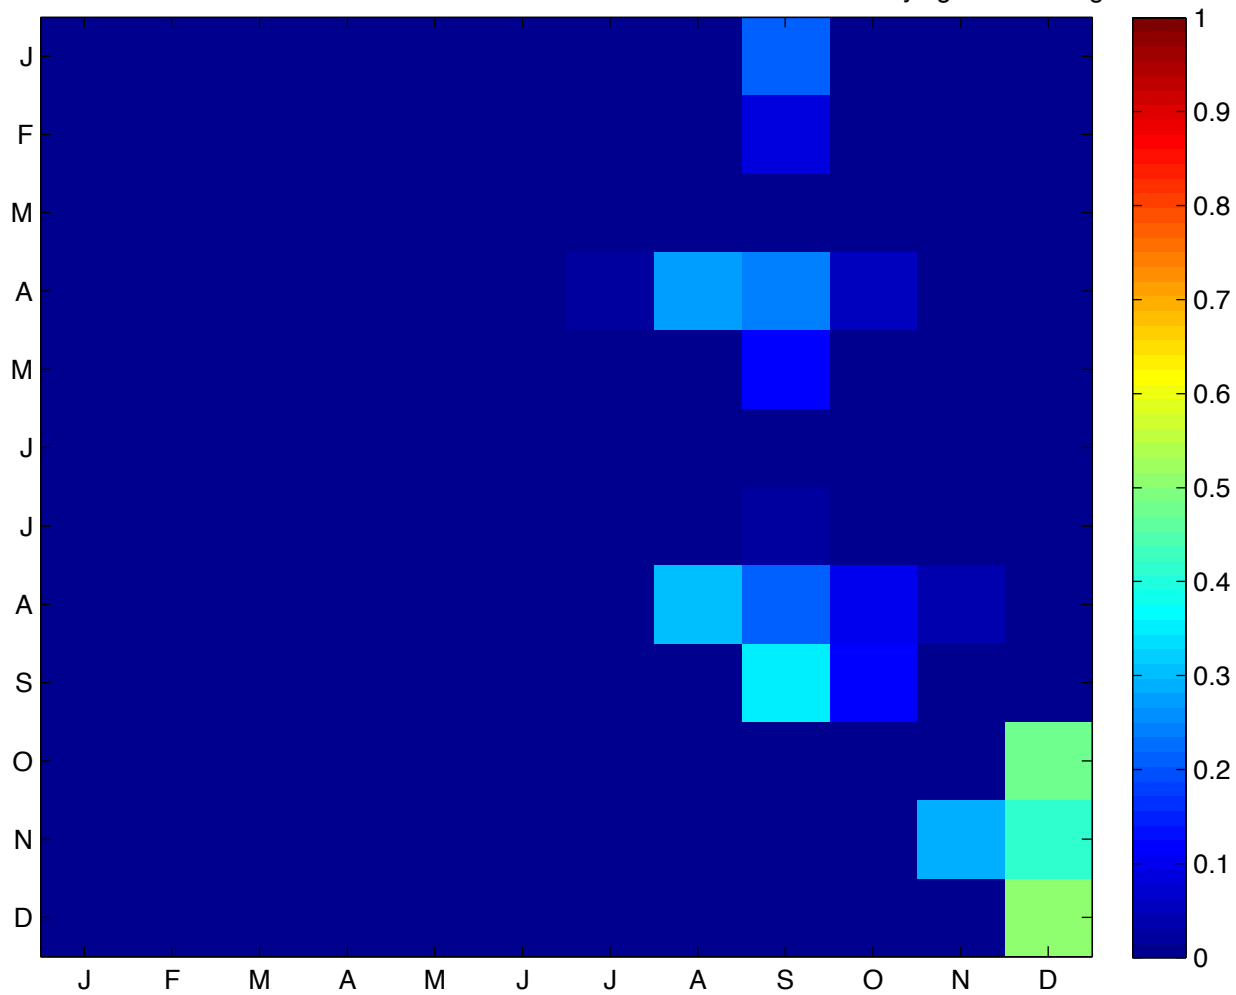

Correlation Coefficients NTC and sstBoxPressureVal Varying Month Range

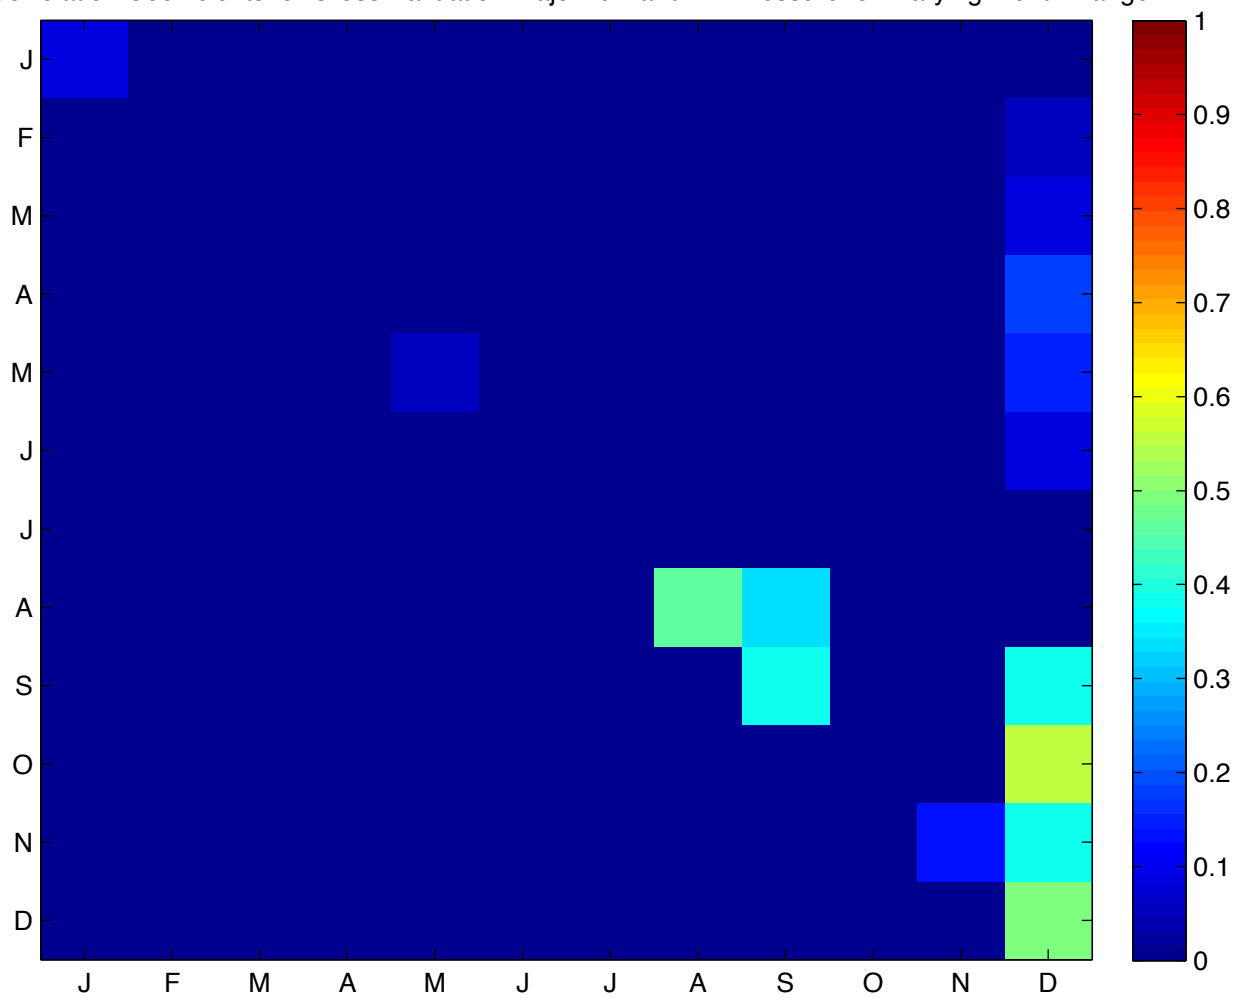

Correlation Coefficients TCS and sstBoxPressureVal Varying Month Range

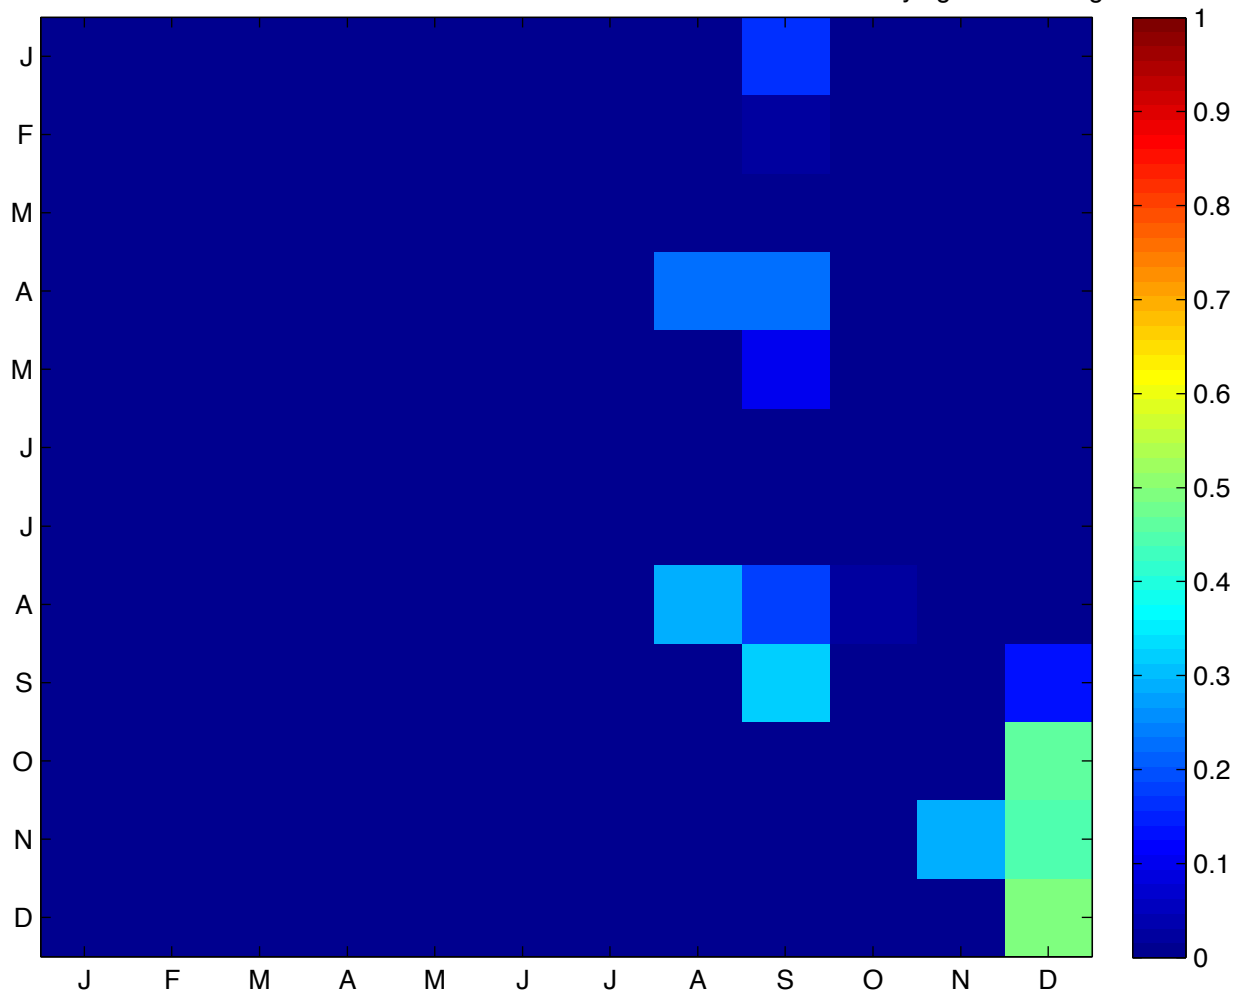

Correlation Coefficients for Cross Validation ACE and minPressureLon Varying Month Range

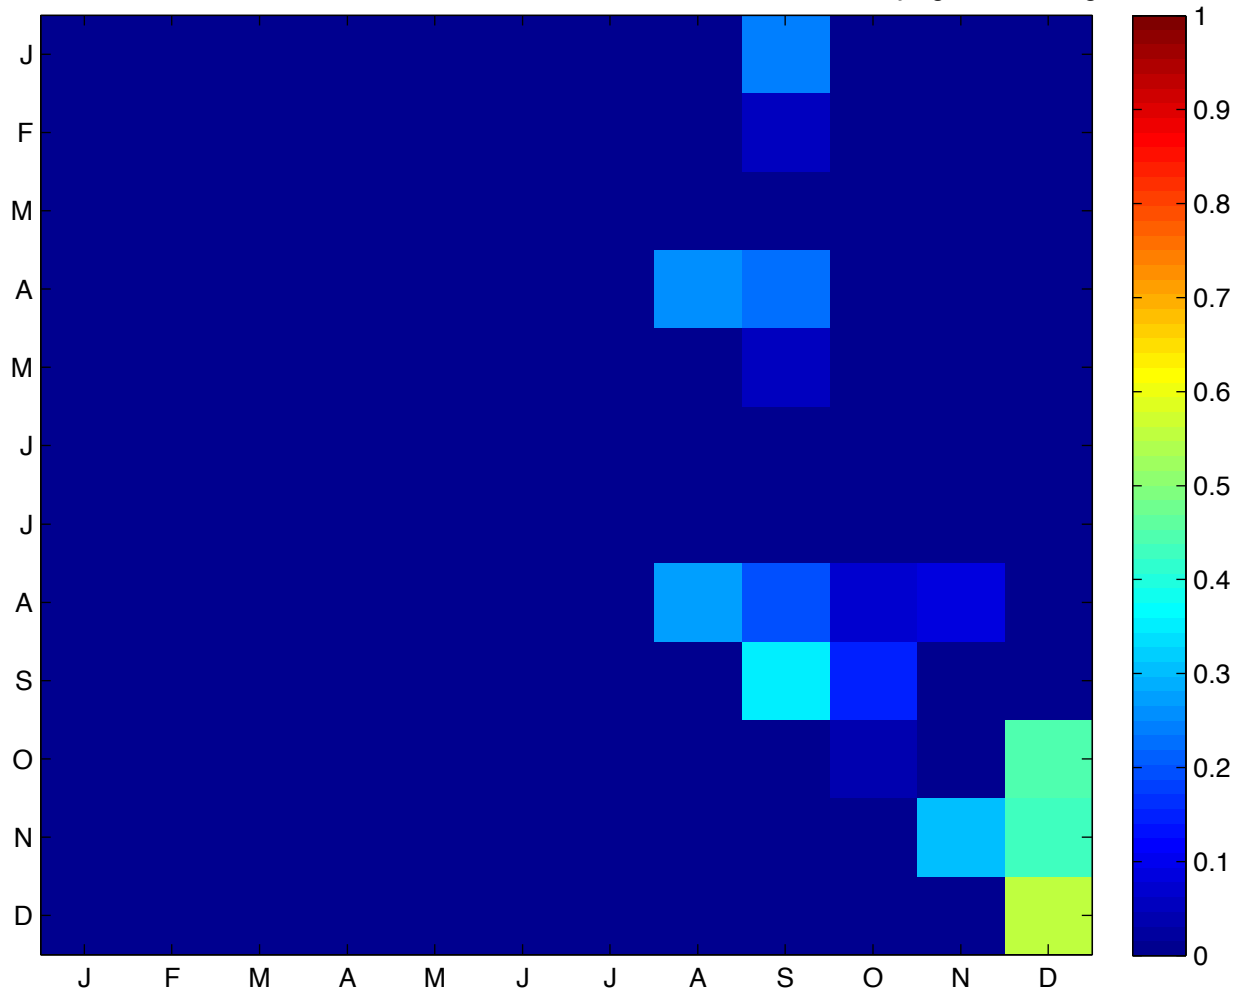

Correlation Coefficients for Cross Validation MajorHurr and minPressureLon Varying Month Range

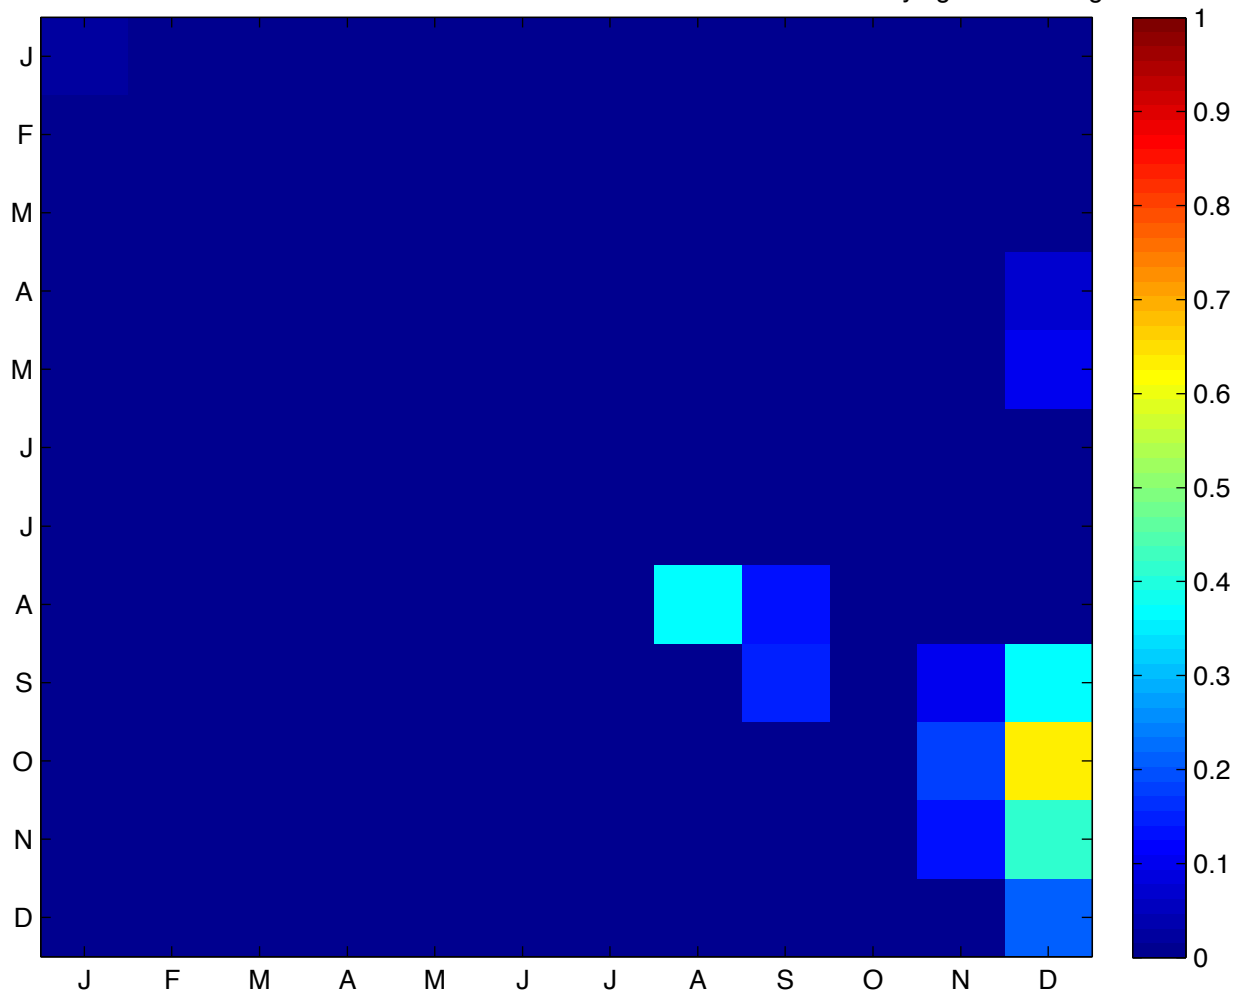

Correlation Coefficients for Cross Validation NTC and minPressureLon Varying Month Range

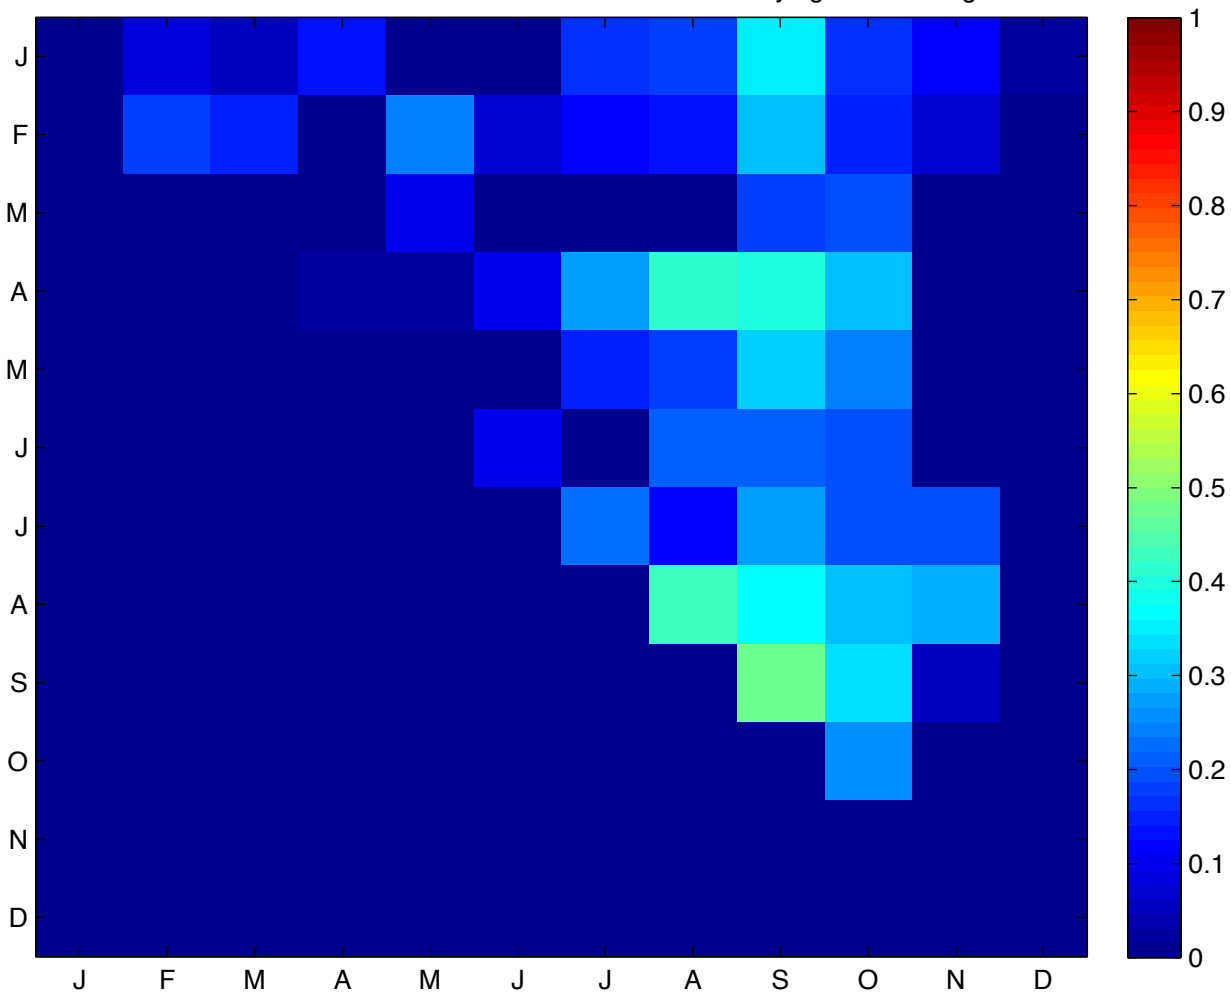

Correlation Coefficients for Cross Validation PDI and minPressureLon Varying Month Range

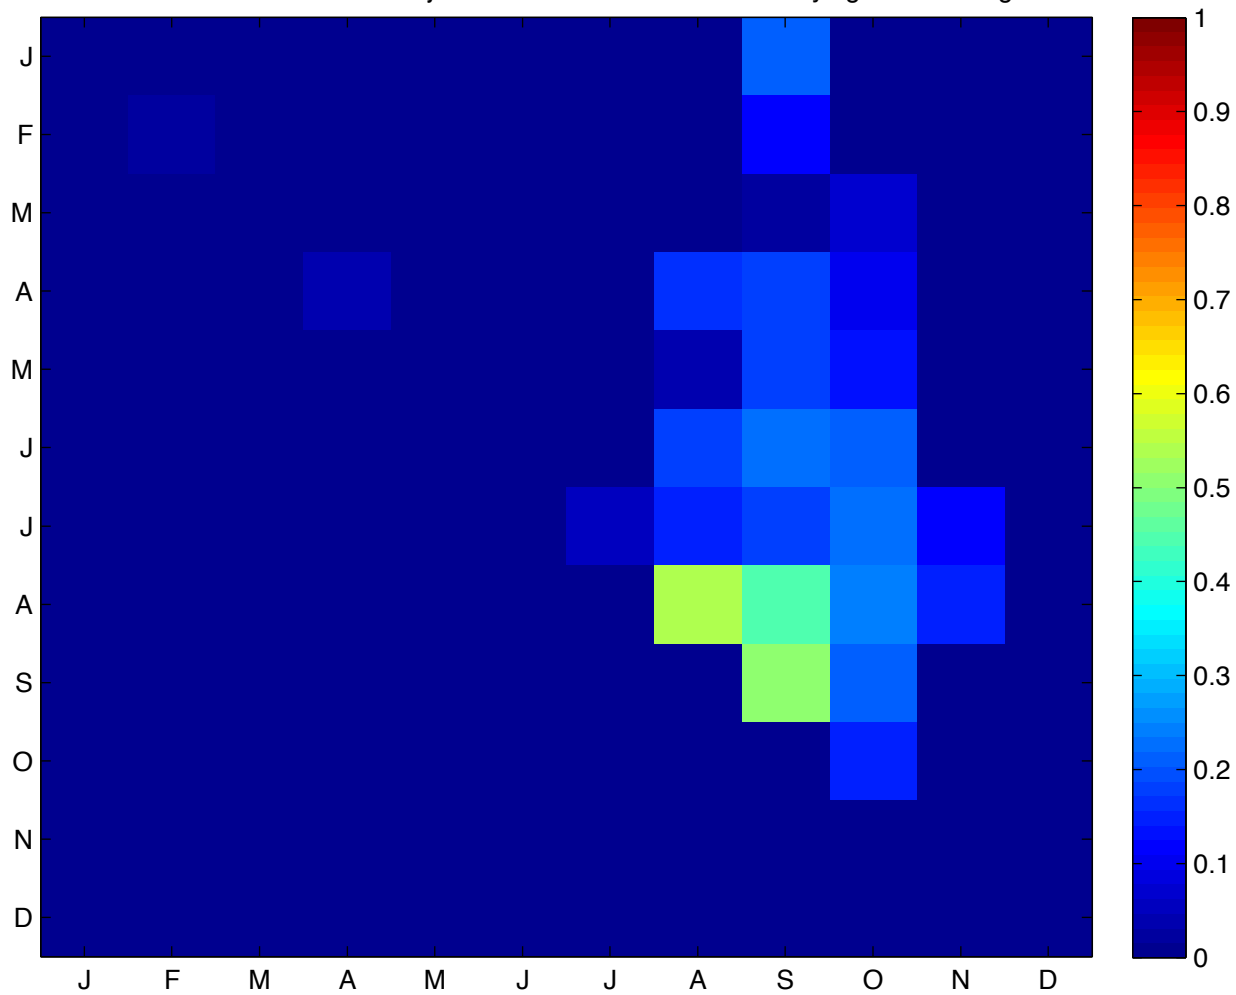

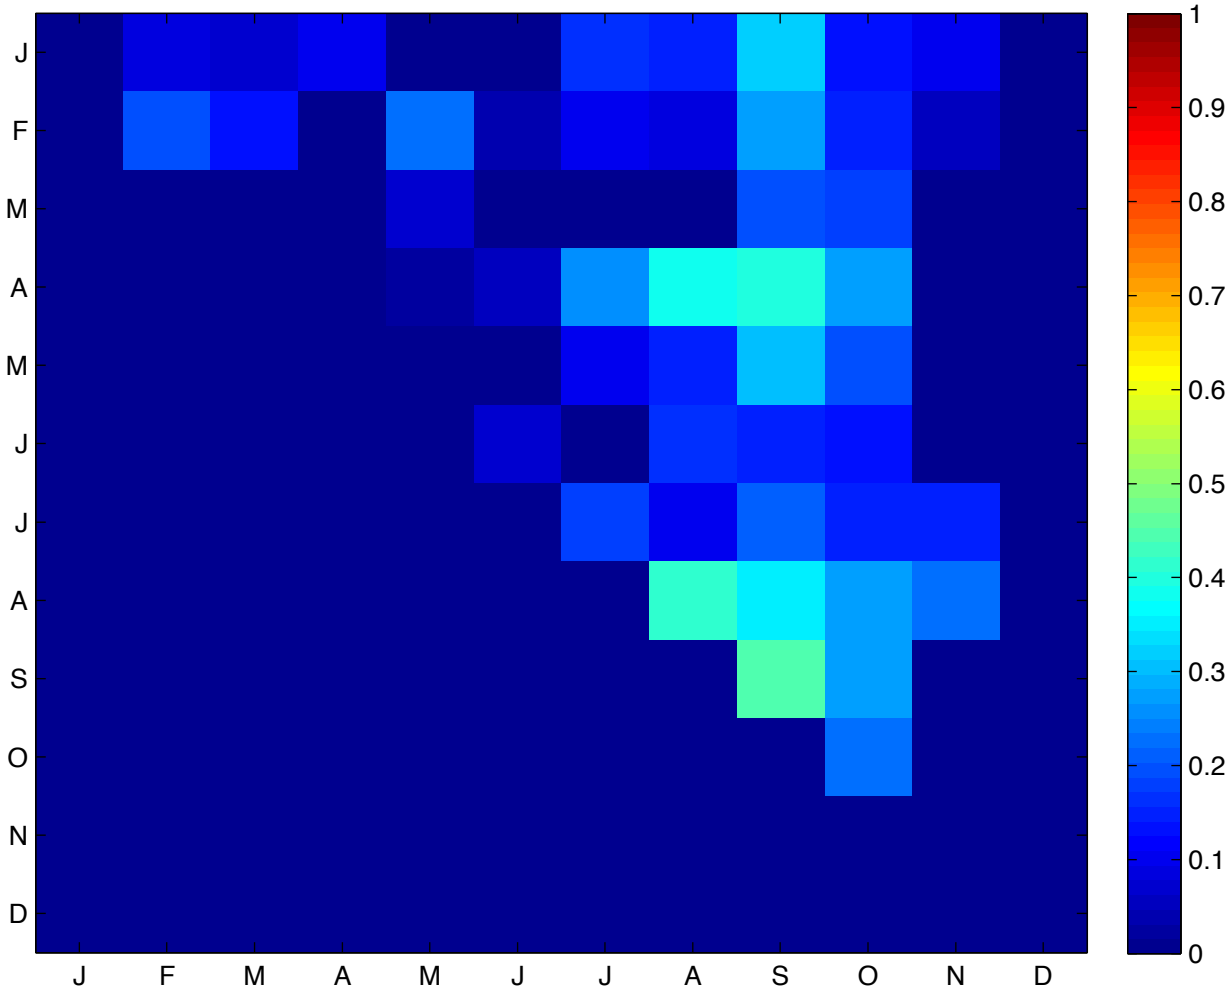

Correlation Coefficients for Cross Validation TCS and minPressureLon Varying Month Range

Correlation Coefficients MajorHurr and minPressureLon Varying Month Range
