

Heatmap showing correlation coefficients for NiNO4 (Start Month, end Month) and ABO NiO. The x-axis is 'End Month' (1-11) and the y-axis is 'Start Month' (1-11). The color scale ranges from 0 (dark blue) to 1 (dark red). The diagonal elements are 1.0. The upper triangle shows correlation coefficients for NiNO4, and the lower triangle shows coefficients for ABO NiO. The values generally increase from the top-left to the bottom-right.
